TO FIGHT AGAINST LOSS OF TERRITORY

Chancellor Scheidemann Says in
Proclamation Germans Will Op-
pose Separation by Violence

CHEERED IN THE REICHSTAG

Big Four Today Receives Three New
Notes Regarding Peace Terms
From Enemy Delegation

(By United Press.)

Berlin, May 14.—"We will fight to the uttermost against separation by violence of any German territory," Chancellor Scheidemann declared in a proclamation forwarded to Danzig today.

Scheidemann, War Minister Noske, Hugo Haase and Herr Fehrenbach, president of the national assembly, addressed the reichstag today. The deputies stood and cheered for several minutes at the Chancellor's words. "Take away that vile murder plot," as he gestured toward a copy of the treaty.

Demonstrations against the peace terms continued in several parts of the city.

Paris, May 14.—The Big Four today received three new notes from the German delegates relating to the peace terms. Their nature was not disclosed.

Seven communications have thus far been received concerning the treaty. The request contained in the first two was reported refused. The second two were referred to a special committee of experts. It was believed a reply to the last note might be made today.

Confidence was expressed in high quarters that the Germans will complete their objections to the terms within the fifteen days limit and that the allies will have made full reply within another ten days.

The Germans plan for a league of nations, it was revealed to the allies, contain the following principles it was learned today:

- 1—Prevention of international dispute.
- 2—Universal disarmament.
- 3—Freedom of traffic and general equality of economic rights.
- 4—Protection of national minority.
- 5—Creation of an international workers bureau.
- 6—Regulations of colonial questions.
- 7—Union of existing and future international institutions.
- 8—Creation of an international parliament.

The league under the German plan would comprise all belligerents—including those established as a result of the war and all neutrals comprising the Hague World Arbitration League.

GEORGE H. BEVER EXPIRES

Noble Township Farmer Dies at Age
of 75 Years Tuesday Night

George H. Bever, a well known farmer of Noble township, died last evening at the age of 75 years. Mr. Bever was a member of the United Brethren church at Bethany and was always devoted to church work during his life. The survivors are his wife, Mrs. Isabelle Bever, one sister, Mrs. Martha Todd of Indianapolis and six children, Richard Bever and William Bever of Indianapolis, Lewis Bever of Muncie, Mrs. Ethel Abernethy of Falmouth, and James B. Bever, living at the home of his father.

The funeral services will be tomorrow afternoon at two o'clock and burial will take place in the Orange north cemetery.

TAX COMMISSION SENDS WARNING

Indebtedness Can Not be Created by
Municipal Organizations Upon
Own Accord

TO BE APPROVED BY BOARD

This Law Also Applies to the County
Unit and Also to the Three
Mile Law

Will McMillin, county auditor, has received a circular letter which is being sent to all auditors and to all cities and towns by the state board of tax commissioners, directing attention to the new law, under which indebtedness can not be created by municipal organizations without the approval of the state tax board. This means that the board construes that the law applies to road bonds under the three mile road law and under the county unit law as well as other indebtedness. Elie Stansbury, attorney general, informed the state board some time ago that the law did not apply to road bonds.

The circular letter reads:

"We would call your special attention to Sections 201 and 202 of the new tax law. Under these sections all indebtedness must be approved by this board before contracted. We are charged with this responsibility and trust that you will co-operate in carrying it out. If bonds or other indebtedness should be issued without this approval, the question of their validity would be raised. If held invalid additional questions of payments of money might be involved.

"We would also, as a matter of information, say that under the powers delegated to the state board of tax commissioners, by this act, this board, in connection with the Governor shall, for the years 1919 and 1920, fix and regulate the state tax rates to meet the appropriated necessities of the state and will avoid a large return which might accrue under the increase of assessments. This is all for your information.

In passing on petitions for the issuance of bonds under the county unit road law enacted by the last legislature, the state board of tax commissioners, probably will rule that the law does not create a separate taxing district for roads and therefore any county indebtedness for courthouses, county infirmaries

MAJORITY SOCIALISTS MAKE DEMONSTRATION

Fifteen Thousand Germans Surge in
Front of Hotel Adlon Crying
"Down With Wilson"

CLAIM CONFIDENCE ABUSED

(By United Press.)

Berlin, May 14.—Fifteen thousand majority socialists made a demonstration in front of the Hotel Adlon today crying "Down with Wilson", "Down with America".

The demonstrations grew in front of the American headquarters until fifty soldiers arrived and cleared the streets. The crowd gathered for demonstrations against the peace terms. They were addressed by Richard Fischer who said the confidence of the Germans in President Wilson had been abused and the government refuses to sign the treaty.

Demonstrators then surged toward the Hotel Adlon jeering and shouting "robbers."

Chancellor Scheidemann later addressed a large crowd in front of the reichstag.

Rushville People Treated To Thrills of Flying Today

Many Take Fifteen-Minute Ride in Clouds at \$1
Per Minute With Pilot Henry F. Fawcett From
a Commercial Flying Field at Wabash, Ind.
Ship Sails About Over Rushville All Day.

GLENWOOD DOCTOR FIRST PASSENGER

Woman Takes Trip in Air

Mrs. Charles Hinkle, whose son is an officer in the government air service, was the only Rushville woman to take a trip in the commercial airplane up to three o'clock this afternoon. Others who were passengers were Ben Sparks, Frank George, Lote Carter and Alva N. Harrold. Passengers before noon were Dr. J. E. Walther, Jerome Caron, Will Bowen, Dr. F. H. Green and Walter Easley.

"You'll not meet any trains up there," shouted a friend to Dr. Joseph E. Walther of Glenwood, the first passenger to go up today when an airplane came here from a commercial aviation field at Wabash, Indiana to take people for pleasure jaunts in the air.

The remark referred to an accident in Glenwood several months ago when Dr. Walther was nearly killed by being hit by a C. I. & W. freight train as he was crossing the tracks in an automobile.

Henry F. Fawcett, formerly a second lieutenant in the government air service, who piloted the plane, had all the business he could attend to, and then some. Five men took fifteen-minute flights at a dollar a minute before noon and enough were booked for rides this afternoon to keep the aviator busy all afternoon.

Jerome Caron, who did not get enough thrills at Chateau Thierry and in other battles along the

Marne, where he was seriously wounded, was the second passenger to take the air. His one regret when he was discharged from the service was that he did not get a trip in an airplane while overseas, and he grabbed at the chance to go up today.

Will Bowen was the third passenger this morning. Dr. Frank H. Green was the fourth and Walter Easley was fifth. They all said that they did not get the thrills that they anticipated.

"The only sensation I felt was when the planes tilted to make a turn," said Jerome Caron.

"I could feel the rough spots in the air," declared Walter Easley after he came down. "The sensation was just about the same as you get riding on a rolling coaster." Will Bowen said that he was not affected in the least by the trip in the air except that the sudden turns made him the least bit dizzy.

The aviator did nothing but straight flying while he carried passengers. He was ready to provide all of the thrills that go with sailing in the air, if perchance, anyone was looking for them, such as serving up some wing-overs, nose dives, tail spins, barrels, loop-the-loops and various other forms of stunt flying.

Elmer W. Caldwell, who negotiated with the Service Aviation, Training and Transportation company for a plane to come here, received a telegram last night about 7:30 that two ships would pass over Rushville this morning and that one of them would stop. The other plane was to

OCEAN FLIGHT MAY BE STARTED TONIGHT

Weather Conditions Are Favorable
And Navy Curtiss 4 is Ex-
pected to Reach Trepassey

DELAYED ONE MAKES HALFA

(By United Press.)

Halifax, May 14.—Navy Curtiss 4 arrived here this afternoon. The big sea plane completed the first leg of the flight from Chatham to Trepassey, arriving in Halifax at 1:10 p. m.

Trepassey, May 14.—This is the day set by the navy department for the start from here of the American trans-Atlantic seaplane flight. The weather conditions were favorable and indications were that early plans would be adhered to.

Tonight a full moon is predicted which will be favorable to make the flight shortly after dusk.

If the Navy Curtiss 4 reaches here from Chatham by that time, she may make the start also. Commander Towers may delay the flight to allow the crew of the Curtiss 4 to rest and to make repairs.

Dirigible May Try It

Washington, May 14.—The navy dirigible C. 5 left Montauk, New York, for Newfoundland at 8 a. m. today, the navy department announced today. If the C. 5 makes a successful trip to St. John, the navy department will make an attempt to make the trans-Atlantic flight with the dirigible in addition to the seaplanes.

ONE OF NEGROES HELD FOR MURDER ESCAPES

Thomas Washington, Charged With
Shooting Elmer Robbins at
Greensburg, is a Fugitive

THREE PRISONERS GET AWAY

Greensburg, Ind., May 14.—While Sheriff Beeson, of Decatur county, was preparing to go to Columbus today to bring Thomas Washington and John Hancock, two negroes whose homes are in Indianapolis, to this city for a preliminary hearing on a charge of first degree murder, he received word from Columbus that Washington and two other prisoners in the jail had escaped. The men are said to have cut their way through a rear wall.

Washington and Hancock were indicted by the Decatur county grand jury as the result of the death of Elmer Robbins, a Big Four railroad detective, April 17, when the negroes were attempting to bring liquor in the state. Sheriff Beeson continued his trip and will bring Hancock to this city for hearing.

INSPECTION THURSDAY

U. R. K. of P. will have their regular meeting Thursday evening at eight o'clock. All members are requested to be present and to be prepared for a regimental inspection.

CHARGE BY STEP-DAUGHTER

Frank Hutson was arrested today on a charge of assault and battery filed before Mayor Irvin by his step-daughter, Mrs. Flora Sutton, who alleges that Hutson jabbed her in the arm with a stove poker.

NAMED PRESIDENT PROTEM OF SENATE

Cummins of Iowa is Unanimously
Elected in Caucus Marked by
Perfect Harmony Today

OTHER OFFICERS ARE PICKED

Senator Lodge, Majority Leader,
Authorized to Name Members
of 3 Important Committees

(By United Press.)

Washington, May 14.—Senate republicans in caucus today unanimously elected Senator Cummins, Iowa, as president pro tem of the senate. Senator Cummins was nominated by Senator Borah.

Perfect harmony marked today's session of the caucus.

The following additional slate of officer was chosen:

George A. Sanderson, Chicago, secretary of the senate.

David S. Barry, Washington, sergeant at arms.

Senator Curtis, Kansas, party whip.

Senator Lodge majority leader, was authorized to appoint a committee on committees, consisting of nine, a steering committee of nine and a patronage committee of three. Senator Brandegee of Connecticut will be chairman of the committee on committees; Senator McCumber, North Dakota, of the steering committee and Senator New, Indiana, of the patronage committee.

The caucus retained the following changes in the senate rule:

Prevention of a senator, who is chairman of any of the ten big committees, holding membership on any other of the ten. This prevents concentration of power in the hands of a few senators.

The other proposed change would limit committees to seventeen members.

Before the conference a committee urged Senator Johnson, California, to reconsider his decision to be a candidate for president pro tem. Johnson declined to change his mind.

TO EXPLAIN TERMS OF VOCATIONAL ACT

W. J. McKeown, Field Agent, Will
be at Red Cross Rooms May —
20—Soldiers Invited

RED CROSS WILL CO-OPERATE

W. J. McKeown, field agent of the federal board of vocational education, will be here next Thursday, May 20, and would like to meet two Rush county soldiers who were wounded in the war and any others who may be interested in the federal vocational rehabilitation act, according to a letter received by local Red Cross officials from W. S. Shaw of Cincinnati, acting district vocational officer. Mr. McKeown will be at the Red Cross rooms in the court house.

The two former soldiers mentioned, whom the field agent especially wants to meet, are Arthur Grigsby and James Grigsby who were wounded. Arlie Matchett of Dalton, Ind., is also mentioned, but the location of the town of Dalton is not known here.

George C. Wyatt, chairman of the Red Cross home service committee, will write men who he thinks might be interested, of the coming of the field agent to explain the government's vocational training plan for former soldiers. Discharged soldiers who are interested are requested to communicate with Mr. Wyatt or Mrs. Harrie Jones, secretary of the home service committee.

ASSESSING WILL CLOSE TOMORROW

Personal Property Books Will be
Turned Over to Auditor and Pre-
pared For Board of Review

BOARD WILL MEET JUNE 2ND.

Assessment of Real Estate Contin-
ues Until June—Representative
of State Board Coming

The period for assessing personal property closes tomorrow and by that time all of the township assessors are expected to have placed their personal property book in the hands of the county auditor, Will McMillin, who will have them bound within fifteen days, so that they will be available for the county board of review when it goes into session the first Monday in June, the second.

The assessing of real estate lasts until the first of June, under the terms of the new taxing law, and the real estate books do not have to be turned over to the county auditor until the day the board of review convenes. Real estate is assessed only every four years, but according to a provision of the new law, the state board of tax commissioners has the authority, if it shall be deemed necessary to maintain an equitable and just valuation that real estate be assessed oftener than every four years, to order the reassessment in any taxing unit or units or of any individual owning real estate, after due notice is given by legal publication according to law.

Indications that the state board expects to keep a close watch on the valuations of the various counties are found in the announcement today that special representatives of the board will be assigned to every county in the state next Monday for the purpose of making an investigation of the work of the assessors and compiling an accurate report and detailed information regarding the working of the true cash value system of the new tax law.

The reports of the representatives will inform the state board of exactly what has been done in each county and the information thus gained will be used as the basis for making recommendations to county boards of review during their sessions in June. Under the new law the boards of review may not only equalize assessments as between the townships or may order a reassessment of any individual piece of property or any class of property in a township.

The board of review is composed of the county assessor, the county treasurer, the county auditor and two members appointed by the judge of the circuit court. Judge Sparks has not yet made known whom he will appoint to the board. The board will be in session thirty days this year, which is ten days more than the usual length of the session because real estate was assessed this year.

Speculation is still rife about how the valuations will average up this year on account of the effort made by taxing officials to assess real estate and personal property at its true cash value. There is every reason to believe that taxables will be more than doubled in Rush county next year. The taxables now amount to \$24,000,000 and several are willing to wager that next year they will be nearer \$60,000,000 than \$50,000,000. Reports sent every other week to the state board by the county assessor, have revealed that the average on personal property has been more than doubled. If the same thing is true of real estate and improvements, there is little

go on to Louisville to carry repairs for a service motor truck. The message came after all hope had been given up that commercial flights could be arranged here because of a letter received from the company last week, which said that the city of Rushville must send a certified check for seventy-five percent of the proceeds of fifty passengers at the minimum rate of \$15 each. Upon receipt of this letter, it was feared the plane could not be obtained.

The airplane appeared in the north about ten-thirty o'clock. At that time the belief was expressed the machine was not coming because it was expected much earlier. The pilot came directly over Rushville, went south a short distance, circled back, and with a beautiful tail spin, landed in John F. Boyd's field, just west of Circleville, which was marked with a white sheet. The exodus towards Boyd's field then began. Automobiles and every sort of vehicle carried scores of people

Velvet

THE FRIENDLY TOBACCO

THERE may be some things that can be done well in a hurry, but pickin' a wife an' agein' a tobacco ain't amongst 'em.

Velvet Joe

We put away millions of pounds of fine Kentucky Burley tobacco every year, stored in wooden hogsheads. It ripens two years. When we take it out it's *different*—Nature has improved it, good as it was—made it *friendlier*, more fragrant, cool-smoking, long-burning.

Nature has given it a *delicious* quality of mildness and fragrance that no artificial means can ever equal.

It's just that *extra* touch of friendly goodness that is building up VELVET Tobacco into the favor and good will of thousands of pipe smokers who prefer to smoke tobacco cured in Nature's way.

You would notice the difference.

Liggett & Myers Tobacco Co.

Roll a VELVET Cigarette.

VELVET'S nature-aged mildness and smoothness make it just right for cigarettes.

So splendidly and truly did the bright minds of the past predict that the American home was the hope of its future.

In the light of the recent achievement of the product of that home we can but approach it with a new reverence.

It is impossible to use too much care in making and keeping that home actually attractive.

Let us assist you in the all important matter of Floor Coverings and Draperies. We know how. That is our business—and for that reason we use every available help that we find it possible to command.

Guffin Dry Goods Co.

Quality - Service

to the scene of the landing and Pilot Fawcett began making contracts at once. Everyone who went up had to place his name on the dotted line.

The usual routine in every home was disturbed today. Dinners were either overdone or burnt while housewives stood in the middle of the streets and craned their necks to get a glimpse of the airplane.

"Who's up this time?" was the usual query on everyone's lips.

Although airplanes have been here frequently in late years, they have lost none of their attractiveness. As many people seemed curious to see one as the first time a plane ever went over Rushville. The hum of the motor brought crowds into the streets all over the city, when the plane came over from the north.

Dr. Walther, the first passenger, wanted to take his two small boys up with him, but Pilot Fawcett refused, declaring that he would not take any passengers who could not be strapped into the seat. The machine used today is a Canadian JN and carries only two passengers. The pilot sits directly behind the passenger.

Because the plane was equipped so that it could be controlled from either seat, some changes were necessary before any passengers were taken in the air. The controls were removed from the front seat because the pilot did not want any inexperienced person interfering with the manipulation of the plane while a half mile in the air.

There are a few people left in the world who grab the steering wheel of an automobile when the driver gets in a tight place, and some one of them might take a ride in the plane—Pilot Fawcett did not know. Anyway he was playing it safe.

Pilot Fawcett was accompanied by William P. Hoare, a mechanic,

who equipped passengers with a heavy leather aviators coat and cap and a pair of goggles.

Pilot Fawcett was stationed at Love field, Texas, while he was in the service, as instructor in several stages, and officer in charge of the preliminary stage. Mr. Hoare was in charge of cross country ships at Love field while in the service.

The Service Aviation, Training and Transportation company of Wabash, Ind., is believed to have established the first commercial field in the United States. They own four Canadian JN ships, which are

used not only for pleasure flying, but for delivering parts for Service motor trucks which are made at Wabash.

A visit of two members of the board of county commissioners, P. A. Newhouse and John Bowles, and Hal Green, county highway superintendent, together with Mr. Caldwell, several days ago, was responsible for the plane coming here today. They went to Wabash to inspect one of the trucks before the commissioners bought a truck for the use of the county in maintaining roads.

When the Skin Seems Ablaze With Itching and Burning

There's just one thing to do. If your skin seems ablaze with the fiery burning and itching of Eczema, real and lasting relief can only come from treatment that goes below the surface—that reaches down to the very source of the trouble. So-called skin-diseases come from a disordered condition of the blood, and search far and near, and you cannot find a blood remedy that approaches S. S. S. for real efficiency. the proper treatment is through the blood. S. S. S. has been on the market for fifty years, during which time it has been giving uniform satisfaction for all manner of blood disorders. If you want prompt and lasting relief, you can rely upon S. S. S. For expert advice as to the treatment of your own individual case, write today to Chief Medical Adviser, Swift Specific Co., Dept. C, Atlanta, Ga.

TAX COMMISSION SENDS WARNING

Continued from Page One

and other county purposes already existing must be counted in calculating the 2 per cent. limit specified in the county unit law. The common supposition has been that the county unit road law authorized an indebtedness for road purposes alone of 2 per cent. of assessed valuation, just as the three-mile road law authorizes an indebtedness of 4 per cent. of the assessed valuation of a township.

If the state board should take this attitude, it would not lessen the amount of money available for permanent roads under the county unit law in this county because there is no bonded indebtedness. The last of the county bonds were redeemed three years ago and the 1913 flood bonds likewise have all been redeemed. The county, however, will have to issue bonds to build the proposed county infirmary for which \$85,000 has been appropriated by the county council. This will serve to cut down the amount available for roads. This will not cut much of a figure because with the amount of taxable property on the duplicates this year, \$24,000,000 the bonded indebtedness limit is \$480,000, and next year it is expected it will be doubled because of the anticipated increase of one hundred percent in valuations.

In discussing the subject informally with Senator Oscar Ratts, of Pauli, members of the state board said they believed the county unit law means that the county is not made a new taxing district and hence any existing indebtedness would reduce the amount of bonds that may be issued for roads.

The supreme court of Indiana a few years ago held that under the three-mile road law a township was made a taxing or assessment district distinct from the civil township, and it held that the constitutional limitation of indebtedness to 2 percent. In this way the 4 percent limit of indebtedness fixed by the law was sustained.

The section of the county unit road law the state tax board has been studying is as follows:

"It shall be unlawful for any board of commissioners in the state of Indiana to issue bonds or any other evidence of indebtedness payable by taxation for the construction or improvement of highways as contemplated in this act when the total issue for that purpose including bonds already issued and to be issued is in excess of 2 per cent. of the total assessed valuation (after deducting all mortgage exemptions) of the property of the county, and all bonds or obligations issued in violation of this act shall be void."

"The ROMANCE of TARZAN"

The concluding chapters of "TARZAN OF THE APES" From the book by Edgar Rice Burroughs.

THE CATAclysmic ROMANCE of PRIMEVAL MAN and MODERN MAID MIDST JUNGLE WILDS and PALACES

This is the REAL superpicture you have been waiting months to see, the mighty Cinema Drama, picturing with massive and overpowering effect the strange adventures that befall Tarzan, primitive nobleman, and White King of an African ape-tribe, who follows the beautiful white girl he has rescued from death in the African jungles to her home amid the regal magnificence of civilized society where love leads him into paths more dangerous than those he trod in his native wilds.

FILLED WITH SCENES OF WEIRD POWER THAT WILL HAUNT YOU FOR DAYS

You will see Tarzan lured to the apartments of a beautiful adventuress who both loves him and seeks his ruin. You will see his raging fight for life with her accomplices.

You will see Tarzan's repudiation by his former jungle companions when he returns to his old haunts.

You will see the beautiful ending—which is best of all.

Honor the War Veterans

The tendency grew each year, up until the time the United States entered the war with Germany, to slight recognition of Memorial Day, which should ever be fresh in the minds of all true Americans. The day was given over to sporting events and other pleasures and its true significance was practically lost until America was awakened by the late war.

Another Memorial Day is upon us. As in the past, the veterans of the Civil war are being left to their own resources to make arrangements for the event, to them falling the sole responsibility for preparing any ceremony which may be given.

The patriots of Rush county, who have so nobly supported the war, can prove that they are not backsliders if they participate as they should in the observance of the day set aside to commemorate the deeds and sacrifices of those who fought to preserve the union. The day is of special significance this year because of the return of Rush county's victorious sons from the world war, all of whom deserve the same recognition as the valiant fighters of a half century ago. Some

plan should be conceived whereby all returned soldiers would be brought into the observance and have an active part in it.

Seymour has set an example which might well be followed here. The lodges of that city are co-operating with the G. A. R. and making plans for a fitting celebration. Soldiers of the late war have been invited to wear their uniforms and participate. The responsibility has not all been shifted to the veterans of the Civil war.

Face the Facts

The Japanese are not as far away from Rushville as we think. They are not with us in the flesh—not many of them—but they are bringing philosophical truths home to us with the utmost emphasis.

The elegance of their diplomatic language equals that of the most abstract minded of the idealists at the peace table. On brotherly affection, disinterested helpfulness, international co-operation, conciliatory unselfishness—on these and kindred themes they discourse with rather more fluency than most of the delegates. They may intoxicate the more altruistic of the diplomats—but they stay sober themselves.

The war has dealt kindly with Japan. Her great rival, Russia, is now below the horizon, and likely to stay there. And as far as Japanese hegemony of eastern Asia is concerned, there is nobody else in sight.

The province of Shantung, in falling under Japanese control takes with it a population of 40,000,000. We were informed that the league of nations would prevent this annexation. At all events, the exalted phrases in which our own attitude was defined conveyed this idea.

The Finns, Russians, Poles, Austrians and Roumanians are all at war. The Italians and Jugo-Slavs are in battle array against each other. Various nations have internal wars going on right at home. Japan also would be at war, if there was anyone able to dispute her claims.

This world is a mess. We can call it a world at peace, if we like. We can call an elephant an angle-

Sap and Salt

By BERT MOSES.

Men who are really brave never claim to be.

Few people amount to much who brag about their ancestors.

No girl can be equally expert both as a coquette and as a cook.

The kiss you take carries a much higher voltage than the kiss you ask for.

Hez Heck says: "Fat women were not intended by nature to climb barbed wire fences."

Divorce and dentistry are losing their terror, for each is now earned on painlessly.

Cautious married men never permit barbers to use perfume upon them, for wives are suspicious and their scent is keen.

worm. We can't get arrested for doing it.

There is need of peace, Heaven knows. There is need of a peace league, if it can insure peace. If it can't, it should still continue to try. But let us not commit the stupendous folly of assuming that all wars are ended forever, and that America is eternally guaranteed against danger from foreign aggression.

A few weeks ago, two Americans captured by Mexican bandits saved their lives by paying a ransom of \$10,000. We aren't even safe in our own back yard.

Russian has issued an ultimatum against Roumania, and it will perhaps be effective. We have occasionally known Ma to issue an ultimatum against Pa, and she has nearly always gained her point.

The Treasury Department has been urged to coin a half-cent piece. If the petitioners can point to anything that can be bought for a half cent now-a-days, the Treasury will probably give their request some consideration.

The brewers are all turning to the manufacture of ice cream. What if they should forget and use some of their former ingredients? Beer ice cream would probably become instantly and universally popular.

Part of the old-time salt's education is not available for the modern sailor. He can no longer learn to splice the main brace.

EIFFEL TOWER BACK AT PEACE TIME WORK

With the Outbreak of Hostilities,
The Tower Became France's
Best Soldier

IS NOW BEING DEMOBILIZED

(By United Press.)

Paris, April 23. (By Mail)—Eiffel Tower has been "demobilized."

After 51 months of active service, the 330 meter tower, that every visitor to Paris has marveled at and those who have never visited the French capital have seen represented on post-cards, has been returned to "civil life" and from now on anybody who wishes to do so may ascend to its top for the customary fee.

With the outbreak of war Eiffel Tower was closed to the public. It was even in times of peace a wireless station and now it became the wireless center of France. It was militarized. Soldiers in uniform manned the wireless plant, the elevators, the searchlight on top and civilians were kept at a distance.

In the meantime Eiffel was talking across the seas to America, the French colonies and the rest of the world, telling the progress of the war. For a long time Eiffel was the only means of communication between France and Roumania and throughout Russia's participation in the hostilities, Eiffel was one of the best "soldiers" in all the Allied Signal Service.

Now the Tower has returned to civil life.

RAILWAY TRAINMEN MEET IN COLUMBUS

Problems Affecting Labor Condition
and Wage Schedules Regarded of
Minor Importance.

25,000 VISITORS EXPECTED

(By United Press.)

Columbus, Ohio, May 14—Problems affecting labor conditions and wage schedules will hold a place of minor importance at the triennial convention of the International Brotherhood of Railroad Trainmen which will be held in Columbus for 30 days commencing today.

B. B. Callahan, chairman of the committee in charge of the convention stated that questions other than the redrafting of the constitution of the brotherhood will be purely incidental.

"Of course wage and labor matters may come up," he said, "but at present the railroad men have no grievances to publicly broach."

More than 25,000 visitors are expected to be in Columbus for the convention, which will be the largest ever held by the brotherhood. Delegates are here from all sections of the United States and Canada.

One of the features of the opening days will be a huge parade on May 18, in which more than 10,000 railroad men in "working clothes" will participate.

Among the speakers scheduled to address the meetings of the trainmen are Secretary of Labor William B. Wilson, Samuel Gompers, president of the American Federation of Labor, and Walker D. Hines, director general of railroads.

ASSESSING WILL CLOSE TOMORROW

Continued from Page One

doubt but that the aim achieved will be reached.

Some property, however, has not been assessed much too high in the past, which will tend to cut down the increase slightly. This is notably true of corporation property, the valuation on which has been kept exceptionally high by the board of review, in proportion to other classes of property.

DEFEATS CARTHAGE

The fast nine representing Lewisville, Henry county, continues its winning streak, and seems to find no worthy opponents. On Sunday afternoon the Carthage negro team was defeated by the score 20 and 1 on the Lewisville diamond. Lewisville played an errorless game, and the Lewisville pitcher allowed but one hit. They're called the Razz Jazz Babies, and they play true to form. Omar S. Peele, Lewisville, Ind., is business manager.

Mrs. Charles Combs has been removed to her home in Glenwood from the Memorial hospital in Connersville where she underwent an operation.

AFTER CLOUDS COMES SUNSHINE.
AFTER DESPONDENCY COMES JOY.
AFTER SICKNESS COMES HEALTH.
AFTER WEAKNESS COMES STRENGTH.

In the spring when you're "all in"—fagged out—blood thin, if you will turn to Nature's remedy, a tonic made from wild roots and barks, which has stood fifty years as the best spring tonic—you will find strength regained. No need to tell you it's Dr. Pierce's Golden Medical Discovery, put up in tablet or liquid form, and sold by every druggist in the land. After a hard winter—shut up indoors, your blood needs a temperance tonic, a tissue-builder and blood-makers such as this "Medical Discovery" of Dr. Pierce's.

Send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package. Greenbay, Wis.—"Dr. Pierce's Golden Medical Discovery is a splendid medicine. I have used it in my family for many years for coughs, colds and La Grippe. I have used it for these ailments, so have most of the members of my family, and it always gave perfect satisfaction, knowing what it has done for us I highly recommend it."
—Mrs. Ed Bauche, 421 5th St.

HAUGH CASE GOES OVER TILL FRIDAY

Intimated That Agreement May be Reached to Keep Shooting Case From Criminal Court

Indianapolis, Ind., May 14.—The case of Mrs. Marguerite Haugh, who fired one shot from a pistol at her former husband, J. Guy Haugh, Friday night in a North Meridian street garage, was continued in City Court yesterday afternoon until Friday afternoon, upon the request of Charles J. Orison, attorney for Mrs. Haugh. The charge against her is shooting with intent to kill. Mrs. Haugh was released Monday on a \$2,500 bond signed by Mrs. Ovid Butler Jameson. She is staying at the home of Mrs. Jameson, 1635 North Pennsylvania street, until her case is disposed of.

Dr. Amelia R. Keller, who is keeping Mrs. Haugh under surveillance, told Judge Pritchard that Mrs. Haugh spent a very quiet night Monday. Mrs. Haugh appeared at the City Prison later in the afternoon and thanked Judge Pritchard for his kindness in continuing the case.

Judge Pritchard told Mr. Orison that his only doubt about granting another continuance was that he doubted his jurisdiction in the case when it was called. He said he thought it more of a matter for the Criminal Court.

"Well, arrangements are under way now for Mrs. Haugh's future and I don't think the matter will ever reach Criminal Court," Orison answered.

Amusements

Mary Miles Minter at Mystic

Mary Miles Minter is playing at the Mystic today in "Rosemary Gumbo the Hechts," the story of an unsophisticated little country girl who is thrown into the vortex of the bright lights.

Edith Roberts will be at this theater tomorrow in a picture with sensational situations and of course a happy ending, during the course of which Kitty Dillingham, whose husband is a failure as a lawyer, turns the tables on him and the wife of her husband's client, Jonas Col-

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

The Best Test for Baking Powder

If you are using some other baking powder because it costs less than Royal, get a can of Royal Baking Powder from your grocer, make cake or biscuits with it, and compare them with those made from the cheaper powder.

The food will be lighter, of finer flavor and more wholesome when made with

A. B. NORRIS

Collamore consents to a subterfuge to obtain a divorce because his wife wants to be free, and goes to Dillingham, who has gone across the hall with Mrs. Collamore to a public stenographer pending Kitty's arrival. Kitty, to keep Collamore—whom she thinks to be a client—accepts his invitation to lunch, but at the cafe she becomes "stewed" with cocktail cherries.

Collamore and "the woman" are ordered from the cafe. He takes Kitty to a roadhouse to sober up. But Mrs. Collamore, as part of the ruse to get a divorce, has had her spouse shadowed by detectives, and when she hears that hubby has been at the San Soud with a "stewed chicken" she becomes really suspicious of Collamore's ingenuity. She, Dillingham and the plain-clothes men arrive at the roadhouse and Collamore, to make "evidence," locks himself in Kitty's room and takes off his coat and waistcoat. But on hearing the "Maryland Dillingham's" voice Kitty suddenly sobers and begs Collamore to save her. She makes a hasty window exit by the aid of a trellis. Collamore is caught—and with him a peculiar hairpin, evidently the property of "the woman."

The search for the woman begins, and to get the bloodhounds off the track Kitty conceives a trap for Mrs. Collamore and Dillingham.

"The Folly Girl" at Princess

"The Follies Girl", featuring Olive Thomas is showing at the Princess theatre today.

It is doubtful if a more ideal part could have been selected for the girl whom Harrison Fisher has designated as the most beautiful show-girl in America. For Miss Thomas first claimed the attention of the public as a dancer atop Ziegfeld's New Amsterdam Roof in New York about two years ago. So her presentation as a "Follies Girl" is fact as well as fiction.

As Dorothea, Miss Thomas is offered every opportunity for the display of her charming personality and unusual talents. Through scheming relatives who hope to inherit much wealth through the untimely death of their old uncle, fresh from the footlights this actress is forced to care for the invalid in the guise of a nurse. But, much to the surprise of the assembly, Miss Thomas, through tender care and devotion, stimulates a new lease of life in the new-found relative, and he is quickly on the road to recovery. All become involved in embarrassing situations and are forced to show their true colors when romance favors the little soubrette, and when their uncle becomes happily reunited with the nephew whom he had disowned.

Tomorrow and Friday, "The Romance of Tarzan" will be shown.

Mrs. Guy Abernethy will entertain the members of the Grand club tomorrow afternoon at her home in North Perkins street.

The Catch-My-Pal Sunday school class of the First Presbyterian church was entertained last evening

PEPTON A

Efficiency is the Keynote to Success

Efficiency depends greatly on bodily health. A run down, nervous, poorly nourished system may prevent better accomplishment.

Peptona, our best tonic is made to aid in such conditions. It will help enrich the blood, is an aid to relieving tired, nervous, "worn out" conditions.

It will act as an aid in convalescing from coughs, colds, bronchitis and other similar disorders, and to properly assimilate your food.

Take Peptona. You will feel increased vigor for your daily duties.

For Sale Only By

at the home of Miss Mable Glazier in West Third Street. After the business session the evening was spent socially and light refreshments were served at a late hour.

Mrs. Pearl Devers, of Chicago, daughter of Mrs. Lage Pea, and Joseph A. Kleker of Chicago, were quietly married at the home of her mother on West Market street, yesterday afternoon, the Rev. D. Ira Lambert officiating. They will reside in Chicago where Mr. Kleker is employed.

Eighteen members and guests attended the meeting of the S. E. T. club yesterday afternoon, which was held at the home of Miss Alice Norris in North Harrison street. The afternoon was enjoyed over various kinds of needlework and at the close of the social hours the hostess served dainty refreshments.

The Loyal Daughters Sunday school class of the Main street Christian church met last evening at the home of Mrs. George Ubaeh in east Second street. The assisting hostesses were Miss Prudence Pope, Mrs. Rena Fegley and Miss Nettie Ormes. Twenty-two members were present to enjoy the short program, after which a short business session was held. Refreshments were served at a late hour.

Mr. and Mrs. Charles Smith entertained a number of their friends and relatives Sunday with a pitch-in dinner honoring Harry Winkler, who has recently returned from overseas. The guests were Mr. and Mrs. Ed Winkler and family, Mrs. Roy Whitaker and family, Mr. and Mrs. Oda Winkler and family, Jeff Winkler, Dora Winkler, Chester Winkler, Harry Winkler, Everett

Lee and Edith Winkler. The afternoon was spent socially.

The W. R. C. Penny Social met yesterday afternoon at the home of Mrs. Alice Bainbridge in North Julian street and enjoyed one of the old time socials. Twenty-three members and two visitors were present. The rooms were beautifully decorated with bouquets of sweet-peas, jonquils and snowballs. Mrs. Mary R. Gregg read an interesting account of the death of Dr. Sallie Jackson, past department officer. Mrs. Josie Webb gave a reading on "The Service Flag" and Mrs. Ida Lee sang "The Soldier Boy of Waterloo". The assisting hostesses were Mrs. Alice Denny and Miss Anna Gilson. The next meeting will be with Mrs. Hattie Trennepohl the first Tuesday in June.

The twelfth annual convention of the Federated clubs of the sixth district opened yesterday afternoon at the Presbyterian church in Knightstown. Last night's program consisted of a musical entertainment and greetings were extended by the Knightstown federation to the visitors.

This morning's session was devoted to appointing committees and receiving reports from the county chairman, Mrs. Ed Chambers being the local county chairman. At eleven o'clock the questionnaire was conducted, which was in charge of Mrs. Guy Abernethy of this city. At this time Miss Mary Sleeth, also of this city, gave a short talk.

The business session of the con-

Silk Special for This Week

For the entire week we offer a splendid showing of Fancy Plaid and Stripe Silks, full 36 inches wide, regular \$2.25 and \$2.50 value, for this week \$1.79 only. Per yard

vention was held this afternoon, at which officers were elected for the coming year. Mrs. John E. Moore, state president, was to give the principal address of the afternoon on "Our Opportunity." Many club women from this county are attending.

The Missionary society of the Sexton Christian church met at the home of Mrs. Will Wright in Union township Tuesday afternoon. Mrs. Fred Oldham had charge of the program, which was as follows: Devotional was in charge of Mrs. Oldham; "Co-operation and Organized Efforts of the Eastern (Indian) women," Mrs. Emily Kiser; "A Message From Headquarters," Mrs. White; Bible study, Esta Grubb; "Women Working Together," Mrs. Orville Porter; hidden answers, Mrs. Carroll Clifton. Six new members were added to the society. The hostess served light refreshments at the close of the afternoon. Mrs. John Whorton, Mrs. Marion Pratt and Mrs. Gilbert Austin were guests.

ERNEST PITMAN IS ARRAIGNED TODAY

New Salem Boy Who is Accused of Forgery in Indictment is Taken Before Court Today.

DR. MORRIS IS ACQUITTED

Ernest Pitman, age 19, was arraigned in the Decatur circuit court at Greensburg today, being charged with forgery. Pitman, who lives near New Salem, forged two checks on the Clarksburg State bank, obtaining \$75. The money was later returned to the bank after being found in a wheat drill where he had concealed it just before his arrest by John McKee of New Salem, who is a member of the Rush County Horse Thief Detectives Association. Pitman was indicted at Greensburg.

Dr. Elbert Morris of Milroy was acquitted by the Decatur circuit court jury late Monday night, after the jurors deliberated more than an hour. Dr. Morris was charged with operating a machine while intoxicated some time ago. The affidavit was filed against Morris as the result of an accident several weeks ago near Sandusky when the ma-

chine driven by Dr. Morris collided with the machine driven by Dr. Carl Hall of Greensburg.

LIEUT. HITT COMING HOME

Lieutenant Joe Hitt, who was injured when a hydroplane he was driving fell into Millard's lake, Fatama, May 2, is coming home on a leave of absence, according to a message which has been received by his parents, Mr. and Mrs. William Hitt, living south of the city.

CONTRACTS AWARDED

Newcastle, Ind., May 14.—The Cornell Engineering Company of Indianapolis has been awarded the contract for the erection of three buildings at the Indiana Village for Epileptics, near here. The Indianapolis firm bid \$59,000. The Hatfield Electric Company, also of Indianapolis, received the contract for electric wiring. The bid was \$1,010. Two of the new buildings are for the boys' colony and the third for a hospital building.

MILK PRODUCERS HEAR AN ADDRESS

Dr. Scherer, Organizer for Central Indiana Association, Speaks to County Body

FAVORS A MILK COMMISSION

Thinks it Should Regulate Price of Milk According to the Cost of Production.

Dr. S. P. Scherer of Indianapolis, who gave an address before a meeting of the Rush county milk producers association Saturday evening in the sheriff's office, is state organizer for the Central Indiana Milk Producers' association. He states that the organization has a three fold purpose.

1st. To carry on an educational campaign to aid dairymen feed better and produce more cheaply.

2nd. To aid in the marketing of their products.

3rd. To educate the consumer on the value of milk as a food.

Mr. Scherer said that the distributors of Indianapolis were making milk unnecessarily high in Indianapolis because they were buying of small producers at great distances from Indianapolis which made the cost of gathering the milk too high, while at the price of gathering were added to the price near home large producers would develop.

Mr. Scherer also states that the expense of distribution is too great, and cites as an example of the wasteful method the fact that light dairy wagons, delivering milk for as many different distributors each handling milk that is pasteurized and standardized to 3.6 per cent butter fat, pass his house each morning delivering milk on his street. This wasteful method, he insists must be corrected by districting the city and assigning each distributor his territory. This can be done only by organization, he says, and until it is done the producer must continue to be satisfied with 30 cents out of each 70 cents paid by the consumer.

Mr. Scherer believes in the appointment of a milk commission which shall regulate the price of milk according to the cost of production which shall be determined by carefully kept cost accounts or on the basis of butter fat prices in sour cream plus the value of skim milk to the farmer and 50 cents per meeting the requirements imposed by the inspector for the sake of sanitation.

In speaking of the need of an educational campaign among consumers, Mr. Scherer cited that fact the one quart of milk has as much food in it as eight eggs, and that it is especially valuable as a food for children for one pint of milk contains 16 grains of lime—more than lime water.

He thinks that milk substitutes should not be used because their food value is low, and he points to the fact that the Government after experimenting with substitutes, bought dairy products for the soldiers.

BURR OAK CAMP No. 3548

M. W. of A., meets each Thursday evening at 8:30 o'clock, at corner of Third and Morgan Streets. Members of other Camps always welcome to attend these meetings. Referendum vote on new rates will be held the evening of May 29, 1919. Theodore Saunders, Consul. May 8-14-21-28. J. P. Stech, Clerk.

SALVATION ARMY FORCE MOBILIZED

Campaign to be Launched Will Mark the End of the Time Honored Tambourine.

WORK HERE AND OVERSEAS.

A Man May be Down But he is Never Out, is the Slogan of the Campaigners

(By United Press.)

New York, May 14—Salvation army forces over the country are mobilizing for their \$13,000,000 fund today. The campaign which is to mark the passing of the time honored tambourine, will be on from May 19 to 26. The funds secured are to be used in work "over here" as well as for the overseas service.

In every city in the land, churches, municipal authorities and independent organizations will assist in the drive. Officials from President Wilson and General Pershing, governors of the several states, down to the American doughboy, have added their appeal to that of the Salvation Army lassie, that the fund be over subscribed.

The campaign slogan "A man may be down, but he's never out" furnished Frederick Duncan, celebrated artist, the theme for an effective lithograph which is being used over the country in advertising the campaign.

While the Salvation Army girl with her coffee pot and doughnut bag was the most popular American girl in France with the doughboys, the same girl, armed with telegraph blanks, is even more popular with the same doughboy when he sets his foot on Hobboken pier.

More than 1,800 messages are sent free of charge to homes over the country by the Salvation Army every day. Chocolate, cigarettes and refreshments make no appeal to the soldier when a message home is in view.

It is to carry on this work among returning soldiers, as well as other work among the nation's poor and unfortunate, that the \$13,000,000 is being raised.

SCRATCH PROVES FATAL

Waynetown, Ind., May 14.—A slight scratch made two weeks ago on the hand of M. A. Miller, 39 years old a garage proprietor here, Tuesday resulted in his death. Blood poisoning set in. His mother and one son survive.

ANOTHER RECORD SET IN EGG PRODUCING

O. C. Macy of Manilla States That he Sold 496 Dozen for \$186.72 in April.

BEATS J. W. HALL RECORD.

In a recent issue the Daily Republican was a story saying that Mrs. J. W. Hall of near Gings was believed to have made a record for egg producing hens. The report stated that she had sold 40 dozen eggs for forty cents a dozen, which were a total of six days gathering. Now comes another person, O. C. Macy of Manilla, R. R. 2 who states that he has that record beat.

Mr. Macy states that during the month of April he sold 496 dozen eggs, which netted him \$186.72, making an average of thirty-seven and five-eighths cents per dozen. The largest days laying was 213 eggs. Mr. Macy thinks this record is unbeatable but the Republican is looking for several more records to be set during the next few days. April sales were divided as follows: April 9, 90 dozen; April 16, 106 dozen; April 23, 83 dozen; April 30, 105 dozen.

TAFT IN INDIANAPOLIS

Indianapolis, Ind., May 14.—William Howard Taft will speak in Tomlinson hall here tonight in support of the league of nations. His address will be delivered publicly under the auspices of the Coit-Alber Lyceum bureau.

Janesville Two-Row Cultivator

WHEN you sit comfortably on the easy riding Janesville Two-Row, and see every plant in every row getting *exactly the cultivation you want it to have*, you think what a blessing it is that you have a machine to do all *that* work. The old timers would think so if they could see you getting over the field so rapidly, and doing the work better, than they ever did.

The Janesville Floating Arches solve the problem. They are hung by pendulums from the top bar and swing from side to side with a pendulum movement. You widen or narrow the gangs in the row with your feet. Or lock them at any width desired.

The shovels naturally follow the rows, but you can shift them to either side so quickly and so easily that you can hoe every hill without stopping the team.

Your own weight on the seat bars acts as a lever to turn the wheels slightly up hill—this big advantage takes the down-hill creep out of side-hill plowing. The entire machine is light, compact, flexible—no oiling needed except in wheel boxes.

Cultivate with a Janesville Two-Row—and you will forget that there ever was hard work in cultivation.

C. H. (Nick) TOMPKINS

FAMILY WASHING

Having a Washing Machine in your house does not relieve you of the work, worry and expense of doing this work. The only way to overcome this job is to send it to the Laundry. Just phone us and our wagon will call for your washing and deliver it back to you when finished. This is all you have to do. We will iron all of it, or give you our Rough Dry way of doing it, just as you like. Just use the phone.

Rushville Laundry Phone 1342

PUT INTEREST IN STAMPS IS ADVICE

Coupons of Second Liberty Loan
Bonds Redeemable Today Should
be Invested in W. S. S.

IDLE MONEY IS NO BENEFIT

"Cut your coupons and buy Baby Bonds" was the advice given holders of the Second Liberty Loan today by the War Savings Committee. Today is the day the government pays interest on the 4 percent bonds of the Second Loan, and the 4 percent bonds into which Second Loan bonds were converted. The committee's statement said:

"Liberty Bond interest coupons should be clipped promptly, and promptly reinvested. Thriftless money, or money which lies idle, is of no benefit to the individual, or the community. Money should be put to work where it can earn the most in the safest way, just as the individual should be kept busy. The government, following the Victory Loan is now paying interest to the people at the rate of nearly a billion dollars a year. This is the money earned by the savings of the people invested in the securities of the government. These earnings should be put to work, and there is no better, safer place of employment for money than the War Savings Stamps and Thrift Stamps issued by the government.

"Two semi-annual interest coupons clipped from \$100 4 percent bonds will more than buy a War Savings Stamp, costing \$4.16 in May. In January 1924 this War Savings Stamp will be worth \$5."

WINONA COLLEGE OPENS

Students Will be Given Advantages
of all Other Schools.

Mrs. Margaret Morton leaves next week for Winona where she will have charge of the Reynolds cottage. During this year the Normal school will issue A and B certificates for twelve and twenty-four weeks work, thus enabling the student to have the same advantages there as at any other summer school. There will also be a special Bible course offered this summer with Billy Sunday and Gypsy Smith on the program in connection with the regular chautauqua program.

PIG RAISING IS VERY POPULAR WITH PUPILS

Texas School Children are Taking
an Interest in the Welfare of
Porkers.

PEN BUILT IN SCHOOL YARD.

(By United Press.)

Houston, Tex., May 14—Pig raising is becoming a popular pastime with pupils in hundreds of Texas rural schools. Chipping in a nickel or dime the student body buys a young pig. A pen is built in the school yard and leavings from lunch baskets easily provides feed.

Scores of rural schools during past year cleared profits of from \$15 to \$25 per pig, the money being invested or expended as the pupils decide.

Thrift, as an integral part of the curriculum of rural schools, has resulted in 30,000 boy members of agricultural clubs saving \$1,317,993.

Sixty-seven per cent own \$382,854 worth of Thrift Stamps while 15 percent or 4,532 boys own collectively \$264,306 in Liberty bonds.

Twenty-six per cent have bank accounts averaging \$64.83 each or \$496,014 and on top of that records show that 66.6 per cent of the lads have contributed \$56,111 to the Red Cross.

YOUTHFUL BRIDE IS BACK AT HER HOME

Mrs. Wesley Coers Returns to This
County and Will be Joined by
Her Husband Later

DISAPPEAR AFTER WEDDING

Mrs. Wesley Coers returned to the home of her foster parents, Mr. and Mrs. Philip Redenbough, of Orange township this week. Several weeks ago Mrs. Coers, formerly Miss Manetta Bair, and her husband, the son of Henry Coers, near Waldron, left from Shelbyville, leaving no clue as to where they were going. They had been married about two weeks. Both were eighteen years old and had traveled very little. It is thought they wanted to see a little of the country.

It is said that the husband will return in a few days from Pittsburgh, Pa., where, it is said, the young couple has been on a pleasure trip.

The father of the young man, Henry Coers, tried in every way to locate the couple. He sold his farm recently because he said he could not farm without his son.

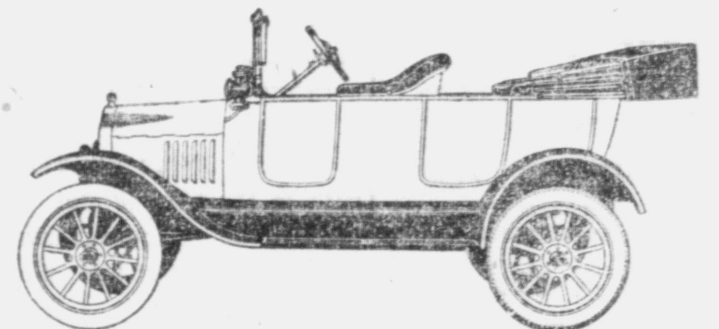

Ford
THE UNIVERSAL CAR

The Ford One Ton Truck is one of the sure business utilities, and likewise just as big a necessity on the farm. Farming is surely a business proposition wherein success depends upon economical methods with up-to-date machinery. The Ford Truck will prove a great economy on the farm. The marvel is "how the farmer has got along without it all these years." It is a servant that serves, always ready and always economical. Price \$550, without body, f. o. b. Detroit.

ALIEN SLACKERS ARE BARRED AS CITIZENS

Twenty Thousand are Denied the Right to be Americans Following The War.

WOULD NOT FIGHT FOR U. S.

(By United Press.)

Washington, May 14—Right to become citizens of the United States is being forever denied to about 20,000 neutral aliens, because of their refusal to fight for the United States, Bureau of Naturalization records show.

This represents the number of neutral citizens who took advantage of the provision in the Selective service Law granting their exemption from military service, if they desired to "forfeit forever their rights to become Americans. Spaniards and Mexicans form the largest percentages of these slackers.

Under the law the Bureau of Naturalization is filing petitions in all courts where these neutral aliens have declared their first intentions, asking that the court enter an order forever barring those who preferred to renounce their possibilities for securing citizenship instead of entering the military service of the country. Records of the others who have not taken out their first papers will be kept at the bureau here, and every application for citizenship checked with the slackers list before it is granted.

Attention, Motorists!

3,500 Miles Absolutely Guaranteed on Retreaded Tires

Give us a ring—Main 2122—let us explain to you our DRI-KURE system of retreading now being introduced in this city. This system has been thoroughly tested out and is highly indorsed and used by our most famous racers.

Do not confuse this DRI-KURE method with the double tread half sole or any other method of retreading, as the Dri-Kure retreading system supercedes them all. All tires are rebuilt with "special live rubber"—no old stock used.

Let us show you we can save you tires and money. We will be glad to examine your tires and if they will stand retreading will guarantee them for a minimum of 3,500 miles. In event they are not worth retreading we will give you our honest opinion, which costs you nothing.

Saves you hours of time and labor. Washes and wrings the clothes. Does everything but hang them up.

There is no drudgery in wash day when you have a Woman's Friend Power or Electric Washer. It relieves you of all that disagreeable toil and hard work. Let the Woman's Friend do the washing for you.

The above illustration shows the Woman's Friend No. 2 Twin, the most advanced type of power washer on the market today.

Notice the large, round rubbing board. This rests upon the clothes and as it turns back and forth it not only rubs them as though you had them on the washboard, but it turns them over and over and forces the hot, soapy water through every part, thus washing them perfectly clean in a remarkably short space of time. The rubbing board adjusts itself to the amount of clothes in the machine and will wash one or a dozen pieces equally well, and will not injure the finest fabric.

The tubs are made of White Cedar and with the large end of the tub at the top and small end at the bottom you can do a small washing with less water than with the large end of the tub at the bottom. For sale by

DISSATISFACTION IS CAUSED

War Department to Unload Surplus
Meat Supplies Abroad

(By United Press.)

Washington, May 14.—Agreement of the war department to unload the surplus of meat supplies abroad, thus causing a loss to the big packers in the United States, caused much dissatisfaction in many quarters today.

Sen. Kenyon, Iowa, declared he would look into the war department's conclusions by means of a senate resolution. The international consumers league was alarmed by the war department's action.

BOY SEVERELY BURNED

Columbus, Ind., May 14.—Orville Brown, 17 years old, threw a bucket of grease and oil into a stove at a garage Tuesday. Flames burst from the stove and set his trousers on fire. He ran into the street and was headed for a nearby river to throw himself into it. Persons in the street caught him, put out the flames and called a doctor. The boy's legs were burned severely.

TO FIGHT AGAINST LOSS OF TERRITORY

Chancellor Scheidemann Says in
Proclamation Germans Will Op-
pose Separation by Violence

CHEERED IN THE REICHSTAG

Big Four Today Receives Three New
Notes Regarding Peace Terms
From Enemy Delegation

(By United Press.)

Berlin, May 14.—"We will fight to the uttermost against separation by violence of any German territory," Chancellor Scheidemann declared in a proclamation forwarded to Danzig today.

Scheidemann, War Minister Noske, Hugo Haase and Herr Fehrenbach, president of the national assembly, addressed the reichstag today. The deputies stood and cheered for several minutes at the Chancellor's words. "Take away that vile murder plot," as he gestured toward a copy of the treaty.

Demonstrations against the peace terms continued in several parts of the city.

Paris, May 14.—The Big Four today received three new notes from the German delegates relating to the peace terms. Their nature was not disclosed.

Seven communications have thus far been received concerning the treaty. The request contained in the first two was reported refused. The second two were referred to a special committee of experts. It was believed a reply to the labor note might be made today.

Confidence was expressed in high quarters that the Germans will complete their objections to the terms within the fifteen days limit and that the allies will have made full reply within another ten days.

The Germans plan for a league of nations, it was revealed to the allies, contain the following principles it was learned today:

- 1—Prevention of international dispute.
- 2—Universal disarmament.
- 3—Freedom of traffic and general equality of economic rights.
- 4—Protection of national minority.
- 5—Creation of an international workers bureau.
- 6—Regulations of colonial questions.
- 7—Union of existing and future international institutions.
- 8—Creation of an international parliament.

The league under the German plan would comprise all belligerents—including those established as a result of the war and all neutrals comprising the Hague World Arbitration League.

GEORGE H. BEVER EXPIRES

Noble Township Farmer Dies at Age
of 75 Years Tuesday Night

George H. Bever, a well known farmer of Noble township, died last evening at the age of 75 years. Mr. Bever was a member of the United Brethren church at Bethany and was always devoted to church work during his life. The survivors are his wife, Mrs. Isabelle Bever, one sister, Mrs. Martha Todd of Indianapolis and six children, Richard Bever and William Bever of Indianapolis, Lewis Bever of Muncie, Mrs. Oma Stephens, Indianapolis, Mrs. Ethel Abercrombie of Fairmount, and James B. Bever, living at the home of his father.

The funeral services will be tomorrow afternoon at two o'clock and burial will take place in the Orange north cemetery.

TAX COMMISSION SENDS WARNING

Indebtedness Can Not be Created by
Municipal Organizations Upon
Own Accord

TO BE APPROVED BY BOARD

This Law Also Applies to the Coun-
ty Unit and Also to the Three
Mile Law

Will McMillin, county auditor, has received a circular letter which is being sent to all auditors and to all cities and towns by the state board of tax commissioners, directing attention to the new law, under which indebtedness can not be created by municipal organizations without the approval of the state tax board. This means that the board construes that the law applies to road bonds under the three mile road law and under the county unit law as well as other indebtedness. Elie Stansbury, attorney general, informed the state board some time ago that the law did not apply to road bonds.

The circular letter reads:

"We would call your special attention to Sections 201 and 202 of the new tax law. Under these sections all indebtedness must be approved by this board before contracted. We are charged with this responsibility and trust that you will co-operate in carrying it out. If bonds or other indebtedness should be issued without this approval, the question of their validity would be raised. If held invalid additional questions of payments of money might be involved.

"We would also, as a matter of information, say that under the powers delegated to the state board of tax commissioners by this act, this board, in connection with the Governor, shall, for the years 1919 and 1920, fix and regulate the state tax rates to meet the appropriated necessities of the state and will avoid a large return which might accrue under the increase of assessments. This is all for your information.

In passing on petitions for the issuance of bonds under the county unit road law enacted by the last legislature, the state board of tax commissioners probably will rule that the law does not create a separate taxing district for roads and therefore any county indebtedness for courthouses, county infirmaries

MAJORITY SOCIALISTS MAKE DEMONSTRATION

Fifteen Thousand Germans Surge in
Front of Hotel Adlon Crying
"Down With Wilson"

CLAIM CONFIDENCE ABUSED

(By United Press.)

Berlin, May 14.—Fifteen thousand majority socialists made a demonstration in front of the Hotel Adlon today crying "Down with Wilson," "Down with America."

The demonstrations grew in front of the American headquarters until fifty soldiers arrived and cleared the streets. The crowd gathered for demonstrations against the peace terms. They were addressed by Richard Fischer who said the confidence of the Germans in President Wilson had been abused and the government refuses to sign the treaty.

Demonstrators then surged toward the Hotel Adlon jeering and shouting "robbers."

Chancellor Scheidemann later addressed a large crowd in front of the reichstag.

Rushville People Treated To Thrills of Flying Today

Many Take Fifteen-Minute Ride in Clouds at \$1
Per Minute With Pilot Henry F. Fawcett From
a Commercial Flying Field at Wabash, Ind.
Ship Sails About Over Rushville All Day.

GLENWOOD DOCTOR FIRST PASSENGER

Woman Takes Trip in Air
Mrs. Charles Hinkle, whose son is an officer in the government air service, was the only Rushville woman to take a trip in the commercial airplane up to three o'clock this afternoon. Others who were passengers were Ben Sparks, Frank George, Lote Carter and Alva N. Harrold. Passengers before noon were Dr. J. E. Walther, Jerome Caron, Will Bowen, Dr. F. H. Green and Walter Easley.

"You'll not meet any trains up there" shouted a friend to Dr. Joseph E. Walther of Glenwood, the first passenger to go up today when an airplane came here from a commercial aviation field at Wabash, Indiana to take people for pleasure jaunts in the air.

The remark referred to an accident in Glenwood several months ago when Dr. Walther was nearly killed by being hit by a C. I. & W. freight train as he was crossing the tracks in an automobile.

Henry F. Fawcett, formerly a second lieutenant in the government air service, who piloted the plane, had all the business he could attend to, and then some. Five men took fifteen-minute flights at a dollar a minute before noon and enough were booked for rides this afternoon to keep the aviator busy all afternoon.

Jerome Caron, who did not get enough thrills at Chateau Thierry and in other battles along the

Marne, where he was seriously wounded, was the second passenger to take the air. His one regret when he was discharged from the service was that he did not get a trip in an airplane while overseas, and he grabbed at the chance to go up today.

Will Bowen was the third passenger this morning. Dr. Frank H. Green was the fourth and Walter Easley was fifth. They all said that they did not get the thrills that they anticipated.

"The only sensation I felt was when the planes tilted to make a turn," said Jerome Caron.

"I could feel the rough spots in the air," declared Walter Easley after he came down. "The sensation was just about the same as you get riding on a rolling coaster."

Will Bowen said that he was not affected in the least by the trip in the air except that the sudden turns made him the least bit dizzy.

The aviator did nothing but straight flying while he carried passengers. He was ready to provide all of the thrills that go with sailing in the air, if perchance, anyone was looking for them, such as serving up some wing-overs, nose dives, tail spins, barrels, loop-the-loops and various other forms of stunt flying.

Elmer W. Caldwell, who negotiated with the Service Aviation, Training and Transportation company for a plane to come here, received a telegram last night about 7:30 that two ships would pass over Rushville this morning and that one of them would stop. The other plane was to

OCEAN FLIGHT MAY BE STARTED TONIGHT

Weather Conditions Are Favorable
And Navy Curtiss 4 is Ex-
pected to Reach Trepassey

DELAYED ONE MAKES HALIFAX

(By United Press.)

Halifax, May 14.—Navy Curtiss 4 arrived here this afternoon. The big sea plane completed the first leg of the flight from Chatham to Trepassey, arriving in Halifax at 1:10 p. m.

Trepassey, May 14.—This is the day set by the navy department for the start from here of the American trans-Atlantic seaplane flight. The weather conditions were favorable and indications were that early plans would be adhered to.

Tonight a full moon is predicted which will be favorable to make the flight shortly after dusk.

If the Navy Curtiss 4 reaches here from Chatham by that time, she may make the start also. Commander Towers may delay the flight to allow the crew of the Curtiss 4 to rest and to make repairs.

Dirigible May Try It

Washington, May 14.—The navy dirigible C. 5 left Montauk, New York, for Newfoundland at 8 a. m. today, the navy department announced today. If the C. 5 makes a successful trip to St. John's, the navy department will make an attempt to make the trans-Atlantic flight with the dirigible in addition to the seaplanes.

ONE OF NEGROES HELD FOR MURDER ESCAPES

Thomas Washington, Charged With
Shooting Elmer Robbins at
Greensburg, is a Fugitive

THREE PRISONERS GET AWAY

Greensburg, Ind., May 14.—While Sheriff Beeson, of Decatur county, was preparing to go to Columbus today to bring Thomas Washington and John Hancock, two negroes whose homes are in Indianapolis, to this city for a preliminary hearing on a charge of first degree murder, he received word from Columbus that Washington and two other prisoners in the jail had escaped. The men are said to have cut their way through a rear wall.

Washington and Hancock were indicted by the Decatur county grand jury as the result of the death of Elmer Robbins, a Big Four railroad detective, April 17, when the negroes were attempting to bring liquor in the state. Sheriff Beeson continued his trip and will bring Hancock to this city for hearing.

INSPECTION THURSDAY

U. R. K. of P. will have their regular meeting Thursday evening at eight o'clock. All members are requested to be present and to be prepared for a regimental inspection.

CHARGE BY STEP-DAUGHTER

Frank Hutson was arrested today on a charge of assault and battery filed before Mayor Irwin by his step-daughter, Mrs. Flora Sutton, who alleges that Hutson jabbed her in the arm with a stove poker.

NAMED PRESIDENT PROTEM OF SENATE

Cummins of Iowa is Unanimously
Elected in Caucus Marked by
Perfect Harmony Today

OTHER OFFICERS ARE PICKED

Senator Lodge, Majority Leader,
Authorized to Name Members
of 3 Important Committees

(By United Press.)

Washington, May 14.—Senate republicans in caucus today unanimously elected Senator Cummins, Iowa, as president pro tem of the senate. Senator Cummins was nominated by Senator Borah.

Perfect harmony marked today's session of the caucus.

The following additional slate of officers was chosen:

George A. Sanderson, Chicago, secretary of the senate.

David S. Barry, Washington, sergeant at arms.

Senator Curtis, Kansas, party wit.

Senator Lodge majority leader, was authorized to appoint a committee on committees, consisting of nine, a steering committee of nine and a patronage committee of three. Senator Brandegee of Connecticut will be chairman of the committee on committees; Senator McCumber, North Dakota, of the steering committee and Senator New, Indiana, of the patronage committee.

The caucus retained the following changes in the senate rule:

Prevention of a senator, who is chairman of any of the ten big committees, holding membership on any other of the ten. This prevents concentration of power in the hands of a few senators.

The other proposed change would limit committees to seventeen members.

Before the conference a committee urged Senator Johnson, California, to reconsider his decision to be a candidate for president pro tem. Johnson declined to change his mind.

TO EXPLAIN TERMS OF VOCATIONAL ACT

W. J. McKeown, Field Agent, Will
be at Red Cross Rooms May —
20—Soldiers Invited

RED CROSS WILL CO-OPERATE

W. J. McKeown, field agent of the federal board of vocational education, will be here next Thursday, May 20, and would like to meet two Rush county soldiers who were wounded in the war and any others who may be interested in the federal vocational rehabilitation act, according to a letter received by local Red Cross officials from W. S. Shaw of Cincinnati, acting district vocational officer. Mr. McKeown will be at the Red Cross rooms in the court house.

The two former soldiers mentioned, whom the field agent especially wants to meet, are Arthur Grigsby and James Grigsby who were wounded. Arlie Matfield of Dalton, Ind., is also mentioned, but the location of the town of Dalton is not known here.

George C. Wyatt, chairman of the Red Cross home service committee, will write men who he thinks might be interested of the coming of the field agent to explain the government's vocational training plan for former soldiers. Discharged soldiers who are interested are requested to communicate with Mr. Wyatt or Mrs. Harrie Jones, secretary of the home service committee.

ASSESSING WILL CLOSE TOMORROW

Personal Property Books Will be
Turned Over to Auditor and Pre-
pared For Board of Review

BOARD WILL MEET JUNE 2ND.

Assessment of Real Estate Contin-
ues Until June—Representative
of State Board Coming

The period for assessing personal property closes tomorrow and by that time all of the township assessors are expected to have placed their personal property books in the hands of the county auditor. Will McMillin, who will have them bound within fifteen days, so that they will be available for the county board of review when it goes into session the first Monday in June, the second.

The assessing of real estate lasts until the first of June, under the terms of the new taxing law, and the real estate books do not have to be turned over to the county auditor until the day the board of review convenes. Real estate is assessed only every four years, but according to a provision of the new law, the state board of tax commissioners has the authority, if it shall be deemed necessary to maintain an equitable and just valuation that real estate be assessed oftener than every four years, to order the reassessment in any taxing unit or units or of any individual owning real estate, after due notice is given by legal publication according to law.

Indications that the state board expects to keep a close watch on the valuations of the various counties are found in the announcement today that special representatives of the board will be assigned to every county in the state next Monday for the purpose of making an investigation of the work of the assessors and compiling an accurate report and detailed information regarding the working of the true cash value system of the new tax law.

The reports of the representatives will inform the state board of exactly what has been done in each county and the information thus gained will be used as the basis for making recommendations to county boards of review during their sessions in June. Under the new law the boards of review may not only equalize assessments as between the townships or may order a reassessment of any individual piece of property or any class of property in a township.

The board of review is composed of the county assessor, the county treasurer, the county auditor and two members appointed by the judge of the circuit court. Judge Sparks has not yet made known whom he will appoint to the board. The board will be in session thirty days this year, which is ten days more than the usual length of the session because real estate was assessed this year.

Speculation is still rife about how the valuations will average up this year on account of the effort made by taxing officials to assess real estate and personal property at its true cash value. There is every reason to believe that taxables will be more than doubled in Rush county next year. The taxables now amount to \$24,000,000 and several are willing to wager that next year they will be nearer \$60,000,000 than \$50,000,000. Reports sent every other week to the state board by the county assessor, have revealed that the average of personal property has been more than doubled. If the same thing is true of real estate and improvements, there is little doubt that the total value will be more than doubled.

Continued from Page One

go on to Louisville to carry repairs for a service motor truck. The message came after all hope had been given up that commercial flights could be arranged here because of a letter received from the company last week, which said that the city of Rushville must send a certified check for seventy-five percent of the proceeds of fifty passengers at the minimum rate of \$15 each. Upon receipt of this letter, it was feared the plane could not be obtained.

The airplane appeared in the north about ten-thirty o'clock. At that time the belief was expressed the machine was not coming because it was expected much earlier. The pilot came directly over Rushville, went south a short distance, circled back, and with a beautiful tail spin, landed in John F. Boyd's field, just west of Circleville, which was marked with a white sheet. The exodus towards Boyd's field then began. Automobiles and every sort of vehicle carried scores of people

All people holding Senior Class play tickets marked 26 are good for Wednesday night only. Those marked 27 are good for Thursday night only. 5311

THE FRIENDLY TOBACCO

THERE may be some things that can be done well in a hurry, but pickin' a wife an' agein' a tobacco ain't amongst 'em.

Velvet Joe

We put away millions of pounds of fine Kentucky Burley tobacco every year, stored in wooden hogsheads. It ripens two years. When we take it out it's *different*—Nature has improved it, good as it was—made it *friendlier*, more fragrant, cool-smoking, long-burning.

Nature has given it a *delicious* quality of mildness and fragrance that no artificial means can ever equal.

It's just that *extra* touch of friendly goodness that is building up VELVET Tobacco into the favor and good will of thousands of pipe smokers who prefer to smoke tobacco cured in Nature's way.

You would notice the difference.

Loggitt & Myers Tobacco Co.

Roll a VELVET Cigarette

VELVET'S nature-aged mildness and smoothness make it just right for cigarettes.

Home-Home

So splendidly and truly did the bright minds of the past predict that the American home was the hope of its future.

In the light of the recent achievement of the product of that home we can but approach it with a new reverence.

It is impossible to use too much care in making and keeping that home actually attractive.

Let us assist you in the all important matter of Floor Coverings and Draperies. We know how. That is our business—and for that reason we use every available help that we find it possible to command.

Guffin Dry Goods Co.

Quality - Service

to the scene of the landing and Pilot Fawcett began making contracts at once. Everyone who went up had to place his name on the dotted line.

The usual routine in every home was disturbed today. Dinners were either overdone or burnt while housewives stood in the middle of the streets and craned their necks to get a glimpse of the airplane.

"Who's up this time?" was the usual query on everyone's lips.

Although airplanes have been here frequently in late years, they have lost none of their attractiveness. As many people seemed curious to see one as the first time a plane ever went over Rushville. The hum of the motor brought crowds into the streets all over the city, when the plane came over from the north.

Dr. Walther, the first passenger, wanted to take his two small boys up with him, but Pilot Fawcett refused, declaring that he would not take any passengers who could not be strapped into the seat. The machine used today is a Canadian JN and carries only two passengers. The pilot sits directly behind the passenger.

Because the plane was equipped so that it could be controlled from either seat, some changes were necessary before any passengers were taken in the air. The controls were removed from the front seat because the pilot did not want any inexperienced person interfering with the manipulation of the plane while a half mile in the air.

There are a few people left in the world who grab the steering wheel of an automobile when the driver gets in a tight place, and some one of them might take a ride in the plane—Pilot Fawcett did not know. Anyway he was playing it safe.

Pilot Fawcett was accompanied by William P. Hoare, a mechanic,

who equipped passengers with a heavy leather aviators coat and cap and a pair of goggles.

Pilot Fawcett was stationed at Love field, Texas, while he was in the service, as instructor in several stages, and officer in charge of the preliminary stage. Mr. Hoare was in charge of cross country ships at Love field while in the service.

The Service Aviation, Training and Transportation company of Wabash, Ind., is believed to have established the first commercial field in the United States. They own four Canadian JN ships, which are

used not only for pleasure flying, but for delivering parts for Service motor trucks which are made at Wabash.

A visit of two members of the board of county commissioners, P. A. Newhouse and John Bowles, and Hal Green, county highway superintendent, together with Mr. Caldwell, several days ago, was responsible for the plane coming here today. They went to Wabash to inspect one of the trucks before the commissioners bought a truck for the use of the county in maintaining roads.

When the Skin Seems Ablaze With Itching and Burning

There's just one thing to do. If your skin seems ablaze with the fiery burning and itching of Eczema, real and lasting relief can only come from treatment that goes below the surface—that reaches down to the very source of the trouble. So-called skin-diseases come from a disordered condition of the blood, and search far and near, and you cannot find a blood remedy that approaches S.S.S. for real efficiency. The proper treatment is through the blood. S.S.S. has been on the market for fifty years, during which time it has been giving uniform satisfaction for all manner of blood disorders. If you want prompt and lasting relief, you can rely upon S. S. S. For expert advice as to the treatment of your own individual case, write today to Chief Medical Adviser, Swift Specific Co., Dept. C, Atlanta, Ga.

ing the annual convention of Federated Clubs held in Knightstown yesterday and today.

—Francis Joyce of Fort Sill, Okla., is spending a month's furlough with his parents in this city.

—Sergeant Lester D. Craven of Moores Hill, Ind., was the weekend guest of Miss May Nickel. Miss Hattie Taylor was also a guest.

TAX COMMISSION SENDS WARNING

Continued from Page One

and other county purposes already existing must be counted in calculating the 2 per cent. limit specified in the county unit law. The commission supposition has been that the county unit road law authorized an indebtedness for road purposes alone of 2 per cent. of assessed valuation, just as the three-mile road law authorizes an indebtedness of 4 per cent. of the assessed valuation of a township.

If the state board should take this attitude, it would not lessen the amount of money available for permanent roads under the county unit law in this county because there is no bonded indebtedness. The last of the court house bonds were redeemed three years ago and the 1913 flood bonds likewise have all been redeemed. The county, however, will have to issue bonds to build the proposed county infirmary for which \$85,000 has been appropriated by the county council. This will serve to cut down the amount available for roads. This will not cut much of a figure because with the amount of taxable property on the duplicates this year, \$24,000,000 the bonded indebtedness limit is \$480,000, and next year it is expected it will be doubled because of the anticipated increase of one hundred percent in valuations.

In discussing the subject informally with Senator Oscar Batts, of Paoli, members of the state board said they believed the county unit law means that the county is not made a new taxing district and hence any existing indebtedness would reduce the amount of bonds that may be issued for roads.

The supreme court of Indiana a few years ago held that under the three-mile road law a township was made a taxing or assessment district distinct from the civil township, and it held that the constitutional limitation of indebtedness to 2 percent. In this way the 4 percent limit of indebtedness fixed by the law was sustained.

The section of the county unit road law the state tax board has been studying is as follows:

"It shall be unlawful for any board of commissioners in the state of Indiana to issue bonds or any other evidence of indebtedness payable by taxation for the construction or improvement of highways as contemplated in this act when the total issue for that purpose including bonds already issued and to be issued is in excess of 2 per cent. of the total assessed valuation (after deducting all mortgage exemptions) of the property of the county, and all bonds or obligations issued in violation of this act shall be void."

"The ROMANCE of TARZAN"

The concluding chapters of "TARZAN OF THE APES"
From the book by Edgar Rice Burroughs.

THE CATAclysmic ROMANCE of PRIMEVAL MAN and MODERN MAID MIDST JUNGLE WILDS and PALACES

This is the REAL superpicture you have been waiting months to see, the mighty Cinema Drama, picturing with massive and overpowering effect the strange adventures that befall Tarzan, primitive nobleman, and White King of an African ape-tribe, who follows the beautiful white girl he has rescued from death in the African jungles to her home amid the regal magnificence of civilized society where love leads him into paths more dangerous than those he trod in his native wilds.

FILLED WITH SCENES OF WEIRD POWER THAT WILL HAUNT YOU FOR DAYS

You will see Tarzan lured to the apartments of a beautiful adventuress who both loves him and seeks his ruin. You will see his raging fight for life with her accomplices.

You will see Tarzan's repudiation by his former jungle companions when he returns to his old haunts.

You will see the beautiful ending—which is best of all.

Honor the War Veterans

The tendency grew each year, up until the time the United States entered the war with Germany, to slight recognition of Memorial Day, which should ever be fresh in the minds of all true Americans. The day was given over to sporting events and other pleasures, and its true significance was practically lost until America was awakened by the late war.

Another Memorial Day is upon us. As in the past, the veterans of the Civil war are being left to their own resources to make arrangements for the event, to them falling the sole responsibility for preparing any ceremony which may be given.

The patriots of Rush county, who have no nobler support than the war, can prove that they are not backsliders if they participate as they should in the observance of the day set aside to commemorate the deeds and sacrifices of those who fought to preserve the union. The day is of special significance this year because of the return of Rush county's victorious sons from the world war, all of whom deserve the same recognition as the valiant fighters of a half century ago. Some

plan should be conceived whereby all returned soldiers would be brought into the observance and have an active part in it.

Seymour has set an example which might well be followed here. The lodge of that city are co-operating with the G. A. R. and making plans for a fitting celebration. Soldiers of the late war have been invited to wear their uniforms and participate. The responsibility has not all been shifted to the veterans of the Civil war.

Face the Facts

The Japanese are not as far away from Rushville as we think. They are not with us in the flesh—not many of them—but they are bringing philosophical truths home to us with the utmost emphasis.

The elegance of their diplomatic language equals that of the most abstract mind of the idealists at the peace table. On brotherly affection, disinterested helpfulness, international co-operation, conciliatory unselfishness—on these and kindred themes they discourse with rather more fluency than most of the delegates. They may intoxicate the more altruistic of the diplomats—but they stay sober themselves.

The war has dealt kindly with Japan. Her great rival, Russia, is now below the horizon, and likely to stay there. And as far as Japanese hegemony of eastern Asia is concerned, there is nobody else in sight.

The province of Shantung, in falling under Japanese control takes with it a population of 40,000,000. We were informed that the league of nations would prevent this annexation. At all events, the exalted phrases in which our own attitude was defined conveyed this idea.

The Finns, Russians, Poles, Austrians and Romanians are all at war. The Italians and Jugo-Slavs are in battle array against each other. Various nations have internal wars going on right at home. Japan also would be at war, if there was anyone able to dispute her claims.

This world is a mess. We can call it a world at peace, if we like. We can call an elephant an angle-

Sap and Salt

By BERT MOSES.

Men who are really brave never claim to be.

Few people amount to much who brag about their ancestors.

No girl can be equally expert both as a coquette and as a cook.

The kiss you take carries a much higher voltage than the kiss you ask for.

Hez Heck says: "Fat women were not intended by nature to climb barbed wire fences."

Divorce and dentistry are losing their terror, for each is now carried on painlessly.

Cautious married men never permit barbers to use perfume upon them, for wives are suspicious and their scent is keen.

worm. We can't get arrested for doing it.

There is need of peace, Heaven knows. There is need of a peace league, if it can insure peace. If it can't, it should still continue to try. But let us not commit the stupendous folly of assuming that all wars are ended forever, and that America is eternally guaranteed against danger from foreign aggression.

A few weeks ago, two Americans captured by Mexican bandits saved their lives by paying a ransom of \$10,000. We aren't even safe in our own back yard.

Russian has issued an ultimatum against Roumania, and it will perhaps be effective. We have occasionally known Ma to issue an ultimatum against Pa, and she has nearly always gained her point.

The Treasury Department has been urged to coin a half-cent piece. If the petitioners can point to anything that can be bought for a half-cent now-a-days, the Treasury will probably give their request some consideration.

RAILWAY TRAINMEN MEET IN COLUMBUS

Problems Affecting Labor Condition and Wage Schedules Regarded of Minor Importance.

25,000 VISITORS EXPECTED

(By United Press.)

Columbus, Ohio, May 14—Problems affecting labor conditions and wage schedules will hold a place of minor importance at the triennial convention of the International Brotherhood of Railroad Trainmen which will be held in Columbus for 30 days commencing today.

B. B. Callahan, chairman of the committee in charge of the convention stated that questions other than the redrafting of the constitution of the brotherhood will be purely incidental.

"Of course wage and labor matters may come up," he said, "but at present the railroad men have no grievances to publicly broach."

More than 25,000 visitors are expected to be in Columbus for the convention, which will be the largest ever held by the brotherhood. Delegates are here from all sections of the United States and Canada.

One of the features of the opening days will be a huge parade on May 18, in which more than 10,000 railroad men in "working clothes" will participate.

Among the speakers scheduled to address the meetings of the trainmen are Secretary of Labor William B. Wilson, Samuel Gompers, president of the American Federation of Labor, and Walker D. Hines, director general of railroads.

ASSESSING WILL CLOSE TOMORROW

Continued from Page One

doubt but that the aim achieved will be reached.

Some property, however, has not been assessed much too high in the past, which will tend to cut down the increase slightly. This is notably true of corporation property, the valuation on which has been kept exceptionally high by the board of review, in proportion to other classes of property.

DEFEATS CARTHAGE

The last nine representing Lewisville, Henry county, continues its winning streak, and seems to find no worthy opponents. On Sunday afternoon the Carthage negro team was defeated by the score 20 and 1 on the Lewisville diamond. Lewisville played an errorless game, and the Lewisville pitcher allowed but one hit. They're called the Razz Jazz Babies, and they play true to form. Omar S. Peelle, Lewisville, Ind., is business manager.

Mrs. Charles Combs has been removed to her home in Glenwood from the Memorial hospital in Connersville where she underwent an operation.

EIFFEL TOWER BACK AT PEACE TIME WORK

With the Outbreak of Hostilities, The Tower Became France's Best Soldier

IS NOW BEING DEMOBILIZED

(By United Press.)

Paris, April 23. (By Mail)—Eiffel Tower has been "demobilized."

After 51 months of active service, the 330 meter tower, that every visitor to Paris has marveled at and those who have never visited the French capital have seen represented on post-cards, has been returned to "civil life" and from now on anybody who wishes to do so may ascend to its top for the customary fee.

With the outbreak of war Eiffel Tower was closed to the public. It was even in times of peace a wireless station and now it became the wireless center of France. It was militarized. Soldiers in uniform manned the wireless plant, the elevators, the searchlight on top and civilians were kept at a distance.

In the meantime Eiffel was talking across the seas to America, the French colonies and the rest of the world, telling the progress of the war. For a long time Eiffel was the only means of communication between France and Roumania and throughout Russia's participation in the hostilities, Eiffel was one of the best "soldiers" in all the Allied Signal Service.

Now the tower has returned to civil life.

After clouds comes sunshine. After despondency comes joy. After sickness comes health. After weakness comes strength.

In the spring when you're "all in"—fagged out—blood thin, if you will turn to Nature's remedy, a tonic made from wild roots and barks, which has stood fifty years as the best spring tonic—you will find strength regained. No need to tell you it's Dr. Pierce's Golden Medical Discovery, put up in tablet or liquid form, and sold by every druggist in the land. After a hard winter—shut up indoors, your blood needs a temperance tonic, a tissue-builder and blood-maker such as this "Medical Discovery" of Dr. Pierce's.

Send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package.

Greenbay, Wis.—"Dr. Pierce's Golden Medical Discovery is a splendid medicine. I have used it in my family for many years for coughs, colds and La Grippe. I have used it for these ailments, so have most of the members of my family, and it always gave perfect satisfaction, knowing what it has done for us I highly recommend it."

Mrs. Ed Basche, 421 5th St.

Ambitious Men Wanted

To Prepare for

Shipping Positions

Thousands of trained men are needed by the railroads and big concerns to direct shipping under the new Government system.

A representative of the American Commerce Association will be in Rushville one day this week to select a few dependable men for a special training course in this work. To qualify requires a few months spare time study at home without interfering with your present work. Experience unnecessary if willing to learn. When competent, men receive salaries of from \$2000 to \$5000 per year.

If you are dissatisfied with your present job and feel that you could fill a better one, if given a chance, write today for interview giving age, occupation and phone number if possible. All information strictly confidential. Address J. C. WOLF, care Scanlan Hotel.

HAUGH CASE GOES OVER TILL FRIDAY

Intimated That Agreement May be Reached to Keep Shooting Case From Criminal Court

Indianapolis, Ind., May 14.—The case of Mrs. Marguerite Haugh, who fired one shot from a pistol at her former husband, J. Guy Haugh, Friday night in a North Meridian street garage, was continued in City Court yesterday afternoon until Friday afternoon, upon the request of Charles J. Orbison, attorney for Mrs. Haugh. The charge against her is shooting with intent to kill. Mrs. Haugh was released Monday on a \$2,500 bond signed by Mrs. Ovid Butler Jameson. She is staying at the home of Mrs. Jameson, 1035 North Pennsylvania street, and her case is disposed of. Dr. Amelia R. Keller, who is keeping Mrs. Haugh under surveillance told Judge Pritchard that Mrs. Haugh spent a very quiet night Monday. Mrs. Haugh appeared at the City Prison later in the afternoon and thanked Judge Pritchard for his kindness in continuing the case.

Judge Pritchard told Mr. Orbison that his only doubt about granting another continuance was that he doubted his jurisdiction in the case when it was called. He said he thought it more of a matter for the Criminal Court.

"Well, arrangements are under way now for Mrs. Haugh's future and I don't think the matter will ever reach Criminal Court," Orbison answered.

Amusements

Mary Miles Minter at Mystic

Mary Miles Minter is playing at the Mystic today in "Rosemary Climbs the Heights," the story of an unsophisticated little country girl who is thrown into the vortex of the bright lights.

Edith Roberts will be at this theater tomorrow in a picture with sensational situations and of course a happy ending, during the course of which Kitty Dillingham, whose husband is a failure as a lawyer, turns the tables on him and the wife of her husband's client, Jonas Col-

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

The Best Test for Baking Powder

If you are using some other baking powder because it costs less than Royal, get a can of Royal Baking Powder from your grocer, make cake or biscuits with it, and compare them with those made from the cheaper powder.

lmore consents to a subterfuge to obtain a divorce because his wife wants to be free, and goes to Dillingham, who has gone across the hall with Mrs. Collamore to a public stenographer pending Kitty's arrival. Kitty, to keep Collamore—whom she thinks to be a client—accepts his invitation to lunch, but at the cafe she becomes "stewed" with cocktail cherries.

Collamore and "the woman" are ordered from the cafe. He takes Kitty to a roadhouse to sober up. But Mrs. Collamore, as part of the ruse to get a divorce, has had her spouse shadowed by detectives, and when she hears that hubby has been at the San Souci with a "stewed chicken" she becomes really suspicious of Collamore's ingenuity. She, Dillingham and the plain-clothes men arrive at the roadhouse and Collamore, to make "evidence," locks himself in Kitty's room and takes off his coat and waistcoat. But on hearing the "Maryland Dillingham's voice" Kitty suddenly sobers and begs Collamore to save her. She makes a hasty window exit by the aid of a trellis. Collamore is caught—and with him a peculiar hairpin, evidently the property of "the woman."

The search for the woman begins, and to get the bloodhounds off the track Kitty conceives a trap for Mrs. Collamore and Dillingham.

"The Folly Girl" at Princess

"The Follies Girl," featuring Olive Thomas is showing at the Princess theatre today.

It is doubtful if a more ideal part could have been selected for the girl whom Harrison Fisher has designated as the most beautiful show-girl in America. For Miss Thomas first claimed the attention of the public as a dancer atop Ziegfeld's New Amsterdam Roof in New York about two years ago. So her presentation as a "Follies Girl" is fact as well as fiction.

As Dorothea, Miss Thomas is offered every opportunity for the display of her charming personality and unusual talents. Through scheming relatives who hope to inherit much wealth through the untimely death of their old uncle, fresh from the footlights this actress is forced to care for the invalid in the guise of a nurse. But, much to the surprise of the assembly, Miss Thomas, through tender care and devotion, stimulates a new lease of life in the new-found relative, and he is quickly on the road to recovery. All become involved in embarrassing situations and are forced to show their true colors when romance favors the little sonnette, and when their uncle becomes happily reunited with the nephew whom he had disowned.

Tomorrow and Friday, "The Romance of Tarzan" will be shown.

WANTED

EVERY HOG RAISER IN RUSH COUNTY to know that we have plenty of pure potent Thorntown serum at any time you want it. The serum is as good as can be made and for a recommendation, ask anybody that has used it. PEPTON A

WILL HELP YOU A

Efficiency is the Keynote to Success

Efficiency depends greatly on bodily health. A run down, nervous, poorly nourished system may prevent better accomplishment.

Pepton, our best tonic is made to aid in such conditions. It will help enrich the blood, is an aid to relieving tired, nervous, "worn out" conditions.

It will act as an aid in convalescing from coughs, colds, bronchitis and other similar disorders, and to properly assimilate your food.

Take Pepton. You will feel increased vigor for your daily duties.

For Sale Only By
PITMAN & WILSON
DRUGGISTS

The Republic, Inc. Rushville, Ind.

at the home of Miss Mable Glazier in West Third Street. After the business session the evening was spent socially and light refreshments were served at a late hour.

Mrs. Pearl Devers, of Chicago, daughter of Mrs. Lige Pea, and Joseph A. Kleker of Chicago, were quietly married at the home of her mother on West Market street, yesterday afternoon, the Rev. D. Ira Lambert officiating. They will reside in Chicago where Mr. Kleker is employed.

Eighteen members and guests attended the meeting of the S. E. T. club yesterday afternoon, which was held at the home of Miss Alice Norris in North Harrison street. The afternoon was enjoyed over various kinds of needlework and at the close of the social hours the hostess served dainty refreshments.

The Loyal Daughters Sunday school class of the Main street Christian church met last evening at the home of Mrs. George Urback in east Second street. The assisting hostesses were Miss Prudence Pope, Mrs. Rena Fegley and Miss Nettie Omnes. Twenty-two members were present to enjoy the short program, after which a short business session was held. Refreshments were served at a late hour.

Mr. and Mrs. Charles Smith entertained a number of their friends and relatives Sunday with a pitch-in dinner honoring Harry Winkler, who has recently returned from overseas. The guests were Mr. and Mrs. Ed Winkler and family, Mrs. Roy Whitaker and family, Mr. and Mrs. Oda Winkler and family, Jeff Winkler, Dora Winkler, Chester Winkler, Harry Winkler, Everett

Lee and Edith Winkler. The afternoon was spent socially.

The W. R. C. Penny Social met yesterday afternoon at the home of Mrs. Alice Bainbridge in North Julian street and enjoyed one of the old time socials. Twenty-three members and two visitors were present. The rooms were beautifully decorated with bouquets of sweet-peas, jonquils and snowballs. Mrs. Mary R. Gregg read an interesting account of the death of Dr. Sallie Jackson, past department officer. Mrs. Josie Webb gave a reading on "The Service Flag" and Mrs. Ida Lee sang "The Soldier Boy of Waterloo". The assisting hostesses were Mrs. Alice Denny and Miss Anna Gilson. The next meeting will be with Mrs. Hattie Tremmepohl the first Tuesday in June.

The twelfth annual convention of the Federated clubs of the sixth district opened yesterday afternoon at the Presbyterian church in Knightstown. Last night's program consisted of a musical entertainment and greetings were extended by the Knightstown federation to the visitors.

This morning's session was devoted to appointing committees and receiving reports from the county chairman, Mrs. Ed Chambers being the local county chairman. At eleven o'clock the questionnaire was conducted, which was in charge of Mrs. Guy Abercrombie of this city. At this time Miss Mary Sleeth, also of this city, gave a short talk.

The business session of the con-

Fancy voiles and printed georgettes in all the new colorings and designs. All are temptingly priced.

Fine Scotch Dress Ginghams in a splendid variety of plaids that are exclusive with us. A yard 75c and \$1.00.

American Dress Ginghams, a yard 20c to 50c. FOR THE YOUNG LADY GRADUATE—

We are showing very pretty embroideries and laces, voiles and organdies both in colors and white. On our second floor will be found very attractive graduation frocks ready made of georgette, crepe de chene, voile and organdie.

The Mauzy Co.

vention was held this afternoon, at which officers were elected for the coming year. Mrs. John E. Moore, state president, was to give the principal address of the afternoon on "Our Opportunity." Many club women from this county are attending.

The Missionary society of the Sexton Christian church met at the home of Mrs. Will Wright in Union township Tuesday afternoon. Mrs. Fred Oldham had charge of the program, which was as follows: Devotional was in charge of Mrs. Oldham; "Co-operation and Organized Efforts of the Eastern (India) women," Mrs. Emily Kiser; "A Message From Headquarters," Mrs. White; Bible study, Esta Grubb; "Women Working Together," Mrs. Orville Porter; hidden answers, Mrs. Carroll Clifton. Six new members were added to the society. The hostess served light refreshments at the close of the afternoon. Mrs. John Whitton, Mrs. Marion Pratt and Mrs. Gilbert Austin were guests.

ERNEST PITMAN IS ARRAIGNED TODAY

New Salem Boy Who is Accused of Forgery in Indictment is Taken Before Court Today.

DR. MORRIS IS ACQUITTED

Ernest Pitman, age 19, was arraigned in the Decatur circuit court at Greensburg today, being charged with forgery. Pitman, who lives near New Salem, forged two checks on the Clarksburg State bank, obtaining \$75. The money was later returned to the bank after being found in a wheat drill where he had concealed it just before his arrest by John McKee of New Salem, who is a member of the Rush County Horse Thief Detectives Association. Pitman was indicted at Greensburg.

Dr. Elbert Morris of Milroy was acquitted by the Decatur circuit court jury late Monday night, after the jurors deliberated more than an hour. Dr. Morris was charged with operating a machine while intoxicated some time ago. The affidavit was filed against Morris as the result of an accident several weeks ago near Sandusky when the ma-

Lieutenant Joe Hitt, who was injured when a hydroplane he was driving fell into Miraflores lake, Panama, May 2, is coming home on a leave of absence, according to a message which has been received by his parents, Mr. and Mrs. William Hitt, living south of the city.

CONTRACTS AWARDED

Newcastle, Ind., May 14.—The Cornell Engineering Company of Indianapolis has been awarded the contract for the erection of three buildings at the Indiana Village for Epileptics, near here. The Indianapolis firm bid \$59,000. The Hatfield Electric Company, also of Indianapolis, received the contract for electric wiring. The bid was \$1,010. Two of the new buildings are for the boys' colony and the third for a hospital building.

Short Cuts in Economy for Efficient Home Managers

FURTHER ECONOMY IN THE HOME IS A MATTER OF IMPORTANCE TO ALL. LET US MAKE A TIMELY SUGGESTION — USE

LaPote Dress Fabrics

The test of time, the standard of excellence and the factor of durability and service demanded by the women who are discriminating in the matter of style, character and value in the clothes they wear have all been embodied in these materials. They offer you the maximum of wear at the minimum in cost. We especially call your attention at this time to our showing of Wash Goods—All of them materials that will please you, both from a standpoint of design and colorings as well as economy.

WATSON INVITED TO SPEAK

Greensburg, Ind., May 14.—U. S. Senator, James E. Watson, Past Grand Chancellor of the Pythians of Indiana has been invited to deliver the Memorial Day address for Greensburg Lodge No. 148 with special honor to the late Past Grand Chancellor, Arthur J. Lowe, who was a member of the local lodge. The date will probably be Sunday, June 2nd.

Stop the "Snuffles"

If you want to make your distressed babies easy and comfortable, give **Foley's Honey and Tar.** It is just what they ought to have for feverish colds, coughs, "snuffles," and wheezy breathing. It stops croup, too. **Foley's Honey and Tar** tastes good and the little ones like it. It contains no morphine, chloroform or other drug that you wouldn't like to give to your children. Do not accept a substitute. Mrs. B. H. Garrett, Schoolfield, Va., writes: "My baby was stricken with a severe cough and cold at one month of age. I gave him ten to fifteen drops of **Foley's Honey and Tar** every three hours and it surely did help him. He hasn't been sick a day since."

MILK PRODUCERS HEAR AN ADDRESS

Dr. Scherer, Organizer for Central Indiana Association, Speaks to County Body

FAVORS A MILK COMMISSION

Thinks it Should Regulate Price of Milk According to the Cost of Production.

Dr. S. P. Scherer of Indianapolis, who gave an address before a meeting of the Rush county milk producers association Saturday evening in the sheriff's office, is state organizer for the Central Indiana Milk Producers association. He states that the organization has a three fold purpose.

- 1st. To carry on an educational campaign to aid dairymen feed better and produce more cheaply.
- 2nd. To aid in the marketing of their products.
- 3rd. To educate the consumer on the value of milk as a food.

Mr. Scherer said that the distributors of Indianapolis were making milk unnecessarily high in Indianapolis because they were buying of small producers at great distances from Indianapolis which made the cost of gathering the milk too high, while if the price of gathering were added to the price near home large producers would develop.

Mr. Scherer also states that the expense of distribution is too great, and cites as an example of the wasteful method the fact that light dairy wagons, delivering milk for as many different distributors each handling milk that is pasturized and standardized to 3.6 per cent butter fat, pass his house each morning delivering milk on his street. This wasteful method he insists must be corrected by districting the city and assigning each distributor his territory. This can be done only by organization, he says, and until it is done the producer must continue to be satisfied with 30 cents out of each 70 cents paid by the consumer.

Mr. Scherer believes in the appointment of a milk commission which shall regulate the price of milk according to the cost of production which shall be determined by carefully kept cost accounts or on the basis of butter fat prices in sour cream plus the value of skim milk to the farmer and 50 cents per meeting the requirements imposed by the inspector for the sake of sanitation.

In speaking of the need of an educational campaign among consumers, Mr. Scherer cited that fact the one quart of milk has as much food in it as eight eggs, and that it is especially valuable as a food for children for one pint of milk contains 16 grains of lime—more than lime water.

He thinks that milk substitutes should not be used because their food value is low, and he points to the fact that the Government after experimenting with substitutes, bought dairy products for the soldiers.

BURR OAK CAMP No. 3548

M. W. of A. meets each Thursday evening at 8:30 o'clock, at corner of Third and Morgan Streets. Members of other Camps always welcome to attend these meetings. Referendum vote on new rates will be held the evening of May 29, 1919.

SALVATION ARMY FORCE MOBILIZED

Campaign to be Launched Will Mark the End of the Time Honored Tambourine.

WORK HERE AND OVERSEAS.

A Man May be Down But he is Never Out, is the Slogan of the Campaigners

(By United Press.)
New York, May 14.—Salvation army forces over the country are mobilizing for their \$13,000,000 fund today. The campaign which is to mark the passing of the time honored tambourine, will be on from May 19 to 26. The funds secured are to be used in work "over here" as well as for the overseas service.

In every city in the land, churches, municipal authorities and independent organizations will assist in the drive. Officials from President Wilson and General Pershing, governors of the several states, down to the American doughboy, have added their appeal to that of the Salvation Army lassie, that the fund be over subscribed.

The campaign slogan "A man may be down, but he's never out" furnished Frederick Duncan, celebrated artist, the theme for an effective lithograph which is being used over the country in advertising the campaign.

While the Salvation Army girl with her coffee pot and doughnut bag was the most popular American girl in France with the doughboys, the same girl, armed with telegraph blanks, is even more popular with the same doughboy when he sets his foot on Hoboken pier.

More than 1,800 messages are sent free of charge to homes over the country by the Salvation Army every day. Chocolate, cigarettes and refreshments make no appeal to the soldier when a message home is in view.

It is to carry on this work among returning soldiers, as well as other work among the nation's poor and unfortunate, that the \$13,000,000 is being raised.

SCRATCH PROVES FATAL

ANOTHER RECORD SET IN EGG PRODUCING

O. C. Macy of Manila States That he Sold 496 Dozen for \$186.72 in April.

BEATS J. W. HALL RECORD.

In a recent issue the Daily Republican was a story saying that Mrs. J. W. Hall of near Gings was believed to have made a record for egg producing hens. The report stated that she had sold 40 dozen eggs for forty cents a dozen, which were a total of six days gathering. Now comes another person, O. C. Macy of Manila, R. I. 2 who states that he has that record beat.

Mr. Macy states that during the month of April he sold 496 dozen eggs, which netted him \$186.72, making an average of thirty-seven and five-eighths cents per dozen. The largest days laying was 213 eggs. Mr. Macy thinks this record is unbeatable but the Republican is looking for several more records to be set during the next few days. April sales were divided as follows: April 9, 90 dozen; April 16, 196 dozen; April 23, 83 dozen; April 30, 105 dozen.

TAFT IN INDIANAPOLIS

Indianapolis, Ind., May 14.—William Howard Taft will speak in Tomlinson hall here tonight in support of the league of nations. His address will be delivered publicly under the auspices of the Coit-Alber Lyceum bureau.

Janesville Two-Row Cultivator

WHEN you sit comfortably on the easy riding Janesville Two-Row, and see every plant in every row getting *exactly the cultivation you want it to have*, you think what a blessing it is that you have a machine to do all *that* work. The old timers would think so if they could see you getting over the field so rapidly, and doing the work better than they ever did.

The Janesville Floating Arches solve the problem. They are hung by pendulums from the top bar and swing from side to side with a pendulum movement. You widen or narrow the gangs in the row with your feet. Or lock them at any width desired.

The shovels naturally follow the rows, but you can shift them to either side so quickly and so easily that you can hoe every hill without stopping the team.

Your own weight on the seat bars acts as a lever to turn the wheels slightly up hill—this big advantage takes the down-hill creep out of side-hill plowing. The entire machine is light, compact, flexible—no oiling needed except in wheel boxes.

Cultivate with a Janesville Two-Row—and you will forget that there ever was hard work in cultivation.

C. H. (Nick) TOMPKINS

FAMILY WASHING

Having a Washing Machine in your house does not relieve you of the work, worry and expense of doing this work. The only way to overcome this job is to send it to the Laundry. Just phone us and our wagon will call for your washing and deliver it back to you when finished. This is all you have to do. We will iron all of it, or give you our Rough Dry way of doing it, just as you like. Just use the phone.

Rushville Laundry Phone 1342

PUT INTEREST IN STAMPS IS ADVICE

Coupons of Second Liberty Loan
Bonds Redeemable Today Should
be Invested in U. S. S.

IDLE MONEY IS NO BENEFIT

"Cut your coupons and buy Baby Bonds" was the advice given holders of the Second Liberty Loan today by the War Savings Committee. Today is the day the government pays interest on the 4 percent bonds of the Second Loan, and the 41 percent bonds into which Second Loan bonds were converted. The committee's statement said:

"Liberty Bond interest coupons should be clipped promptly, and promptly reinvested. Thriftless money, or money which lies idle, is of no benefit to the individual, or the community. Money should be put to work where it can earn the most in the safest way, just as the individual should be kept busy. The government, following the Victory Loan is now paying interest to the people at the rate of nearly a billion dollars a year. This is the money earned by the savings of the people invested in the securities of the government. These earnings should be put to work, and there is no better, safer place of employment for money than the War Savings Stamps and Thrift Stamps issued by the government.

"Two semi-annual interest coupons clipped from \$100 41 percent bonds will more than buy a War Savings Stamp, costing \$4.16 in May. In January 1924 this War Savings Stamp will be worth \$5."

WINONA COLLEGE OPENS

Students Will be Given Advantages
of all Other Schools.

Mrs. Margaret Morton leaves next week for Winona where she will have charge of the Reynolds cottage. During this year the Normal school will issue A and B certificates for twelve and twenty-four weeks' work, thus enabling the student to have the same advantages there as at any other summer school. There will also be a special Bible course offered this summer with Billy Sunday and Gypsy Smith on the program in connection with the regular chautauqua program.

PIG RAISING IS VERY POPULAR WITH PUPILS

Texas School Children are Taking
an Interest in the Welfare of
Porkers.

PEN BUILT IN SCHOOL YARD.

(By United Press.)

Houston, Tex., May 14—Pig raising is becoming a popular pastime with pupils in hundreds of Texas rural schools. Chipping in a nickel or dime the student body buys a young pig. A pen is built in the school yard and leavings from lunch baskets easily provides feed.

Scores of rural schools during past year cleared profits of from \$15 to \$25 per pig, the money being invested or expended as the pupils decide.

Third, as an integral part of the curriculum of rural schools, has resulted in 30,000 boy members of agricultural clubs saving \$1,317,993.

Sixty-seven per cent own \$382,854 worth of Thrift Stamps while 15 percent or 4,532 boys own collectively \$264,306 in Liberty bonds. Twenty-six per cent have bank accounts averaging \$64.83 each or \$496,014 and on top of that records show that 66.6 per cent of the lads have contributed \$56,111 to the Red Cross.

YOUTHFUL BRIDE IS BACK AT HER HOME

Mrs. Wesley Coers Returns to This
County and Will be Joined by
Her Husband Later

DISAPPEAR AFTER WEDDING

Mrs. Wesley Coers returned to the home of her foster parents, Mr. and Mrs. Philip Redenbough, of Orange township this week. Several weeks ago Mrs. Coers, formerly Miss Manetta Bair, and her husband, the son of Henry Coers, near Waldron, left from Shelbyville, leaving no clue as to where they were going. They had been married about two weeks. Both were eighteen years old and had traveled very little. It is thought they wanted to see a little of the country.

It is said that the husband will return in a few days from Pittsburgh, Pa., where, it is said, the young couple has been on a pleasure trip.

The father of the young man, Henry Coers, tried in every way to locate the couple. He sold his farm recently because he said he could not farm without his son.

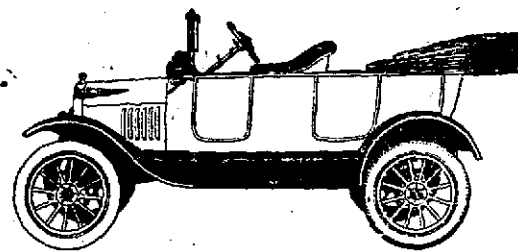

Ford
THE UNIVERSAL CAR

The Ford One Ton Truck is one of the sure business utilities, and likewise just as big a necessity on the farm. Farming is surely a business proposition wherein success depends upon economical methods with up-to-date machinery. The Ford Truck will prove a great economy on the farm. The marvel is "how the farmer has got along without it all these years." It is a servant that serves, always ready and always economical. Price \$550, without body, f. o. b. Detroit.

ALIEN SLACKERS ARE BARRED AS CITIZENS

Twenty Thousand are Denied the Right to be Americans Following The War.

WOULD NOT FIGHT FOR U. S.

(By United Press.)

Washington, May 14—Right to become citizens of the United States is being forever denied to about 20,000 neutral aliens, because of their refusal to fight for the United States, Bureau of Naturalization records show.

This represents the number of neutral citizens who took advantage of the provision in the Selective service law granting their exemption from military service, if they desired to forfeit forever their rights to become Americans. Spaniards and Mexicans form the largest percentages of these slackers.

Under the law the Bureau of Naturalization is filing petitions in all courts where these neutral aliens have declared their first intentions, asking that the court enter an order forever barring those who preferred to renounce their possibilities for securing citizenship instead of entering the military service of the country. Records of the others who have not taken out their first papers will be kept at the bureau here, and every application for citizenship checked with the slackers list before it is granted.

Attention, Motorists!

3,500 Miles Absolutely Guaranteed on Retreaded Tires

Give us a ring—Main 2122—let us explain to you our DRI-KURE system of retreading now being introduced in this city. This system has been thoroughly tested out and is highly indorsed and used by our most famous racers.

Do not confuse this DRI-KURE method with the double tread half sole or any other method of retreading, as the Dri-Kure retreading system super-sedes them all. All tires are rebuilt with "special live rubber"—no old stock used.

Let us show you we can save you tires and money. We will be glad to examine your tires and if they will stand retreading will guarantee them for a minimum of 3,500 miles. In event they are not worth retreading we will give you our honest opinion, which costs you nothing.

SHINOLA

AMERICA'S HOME SHOE POLISH

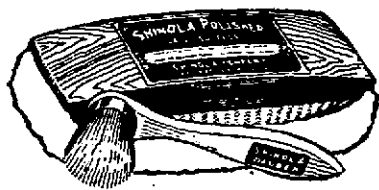

Used by thrifty people because it Saves Time, Saves Money, Saves Shoes.

Shinola is beneficial to all leather.

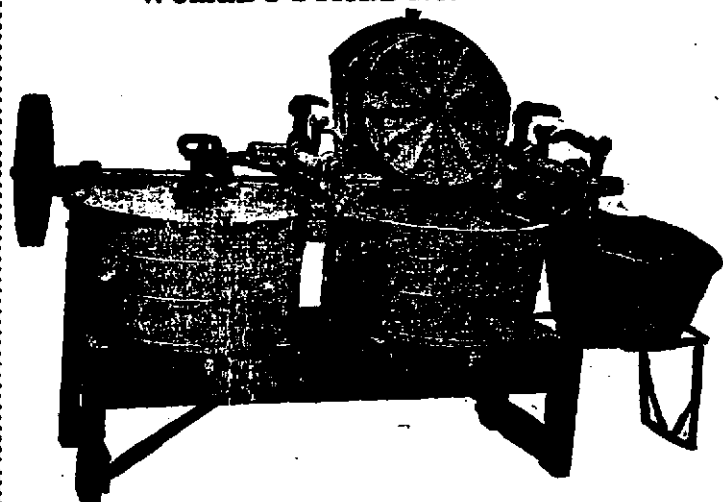

SHINOLA HOME SET

makes shining easy in home or office.

BLACK-TAN-WHITE-RED-BROWN

Woman's Friend No. 2 Twin

MAKES WASH DAY A DAY OF PLEASURE.

Saves you hours of time and labor. Washes and wrings the clothes. Does everything but hang them up.

There is no drudgery in wash day when you have a Woman's Friend Power or Electric Washer. It relieves you of all that disagreeable toil and hard work. Let the Woman's Friend do the washing for you.

The above illustration shows the Woman's Friend No. 2 Twin, the most advanced type of power washer on the market today.

Notice the large, round rubbing board. This rests upon the clothes and as it turns back and forth it not only rubs them as though you had them on the washboard, but it turns them over and over and forces the hot, soapy water through every part, thus washing them perfectly clean in a remarkably short space of time. The rubbing board adjusts itself to the amount of clothes in the machine and will wash one or a dozen pieces equally well, and will not injure the finest fabric.

The tubs are made of White Cedar and with the large end of the tub at the top and small end at the bottom you can do a small washing with less water than with the large end of the tub at the bottom. For sale by

DISSATISFACTION IS CAUSED

War Department to Unload Surplus Meat Supplies Abroad

(By United Press.)

Washington, May 14.—Agreement of the war department to unload the surplus of meat supplies abroad, thus causing a loss to the big packers in the United States, caused much dissatisfaction in many quarters today.

Sen. Kenyon, Iowa, declared he would look into the war department's conclusions by means of a senate resolution. The international consumers league was alarmed by the war department's action.

BOY SEVERELY BURNED

Columbus, Ind., May 14.—Orville Brown, 17 years old, threw a bucket of grease and oil into a stove at a garage Tuesday. Flames burst from the stove and set his trousers on fire. He ran into the street and was headed for a nearby river to throw himself into it. Persons in the street caught him, put out the flames and called a doctor. The boy's legs were burned severely.
